With reference to the above discussions, I hereby tender my consideration as a **Rule Nisi Order** with regard to streamlining the many topics touched on; plagued by extremely poor performance symptomatic by gross mismanagement as a manifestation of greed, that caused global mismanagement and abuse of Earth's Resources & Habitat, by an organised crime sect (secretly practiced by well educated people properly versed in law, accounting, psychology, etc.), with exclusion of the majority of earth's peoples from free Financial Flow ² in concert with a dishonest

In the same way the distribution of money and the "Administrative Law Machinery and the enforcement thereof" cannot be owned by a person (individual, company, corporation, association, etc) because it is common to all and *Res Communis*.

Secret

History of Khazarian Mafia and its evil plan to hijack the whole world now revealed for first time.

⁵ IMMANUEL KANT's Perpetual Peace Second Supplement which made provision for the establishment of such Tribunal with documented need by the International Peace and Security, long standing, voiced by many sovereign states since the Dumbarton Oaks Conference, the Washington Conversations and many that follows under leading of the Big Four – the United States, the United Kingdom, the USSR and the Republic of China.

structured according to known building blocks, in considering of all people's needs commonality which are in excess of 66% of all societies, and provides for a natural integration acceleration, utilising previous qualified efforts to the maximum, making such a system desirable/feasible/easier achievable now than ever before, irrespective of how the yardstick would be defined. **However, it is dependent on proper leadership holding dear, the prosperity of all their people(s) and the habitat of people on earth, who would not fall victim to illicit practices of bribery and related corrupt activities.**

The political landscape without reprisal against corrupt practices, creates a landscape where "the main feature of modern governments is that we do not know who governs, de jure any more (a legal government constituted by the people and for the people as a legitimate government of a state, which has also been recognized by other legitimate states), than de facto {a state of affairs that is factual true, but that has not been officially recognised or sanctioned by the people for the people – an illegitimate occurrence depriving the majority of their rights and privileges" *via a lobby group(s) over time that may span several administrations} enforced by progressive value changes of tolerance and acceptability about deceit and theft over many decades.* "We see the politicians and not his support (including his funder) or, what is most important of all the banker of his support. Enthroned above all, in a manner without parallel in all past, is the veiled weaponization of finance with illegal control over distribution of money, swaying all men into extortion and thieving practices as if it is a magic wand."

The Ghazaryan Mafia who illegally control distribution of money throughout the world has falsified the legal system to achieve same, ⁶ inclusive of all history, extorting/expropriating all of humanity's assets, who has promoted/created wars since recorded history AGAINST HUMANITY and recently through lobbyist groups, that funds both of the warring sides via third parties, extracting the wealth from both sides causing widespread indebtedness with cleaver mechanisms, like the rent-lease system, that has changed the USA economy to a war-based economy. The thievery practice is promoted by 'an illusionary/fake legal system' which does not exist in or by any proper legal principles, contra; -

- (a) A single inhabitant does not require laws or regulations. Laws and regulations are required to regulate the conduct amongst a population(s) and bind all to the same practise, supporting all on equal footing in the community, including the rights (duties/obligations) to live in pursuit of happiness.
- (b) Law application/enforcement, except for the Creator's design, is the reason we exist in ostensible demarcated countries, societies and groupings. Law-enforcement and oversight bodies cannot exist outside the public with no oversight by the public, passing ideas or suggestions, but their reason for existence in the public is to serve the interest of all (life and happiness) in the world, in countries, societies and groupings.

⁶ Jack Straw@JackStr42679640-Aug 3 <https://twitter.com/Prolotario1/status/1687147655695147032?t=TLN4wFYBO5l1Lvxpj1A&s=08>

- (c) Laws are supposed to be made with the **corresponding and common expectation that, it will benefit all and that such law shall be enforced, respected and executed uniformly, because such LAWS are the threads that holds the tapestry of the countries and groupings in countries together. If applied unilaterally, it is the most unifying, equalising force known to man for it makes the rich respect the poor, and allows the powerless to challenge the powerful on equal terms. All attempts to impede on public participation, and there is many stemming from many reasons, regardless of motivation are detrimental to social order.**
- (d) No one person in a country is supposed to make a law on its own for it will only breed corruption. In a democratic country, for democratic principles such as equality, fairness, justice, righteousness, environmental considerations and mercy as common interests, functions as equalisers to ensure values-, that protects humanity-, its societies- and ethnic grouping's security, as well as the social- and common dependencies of all which defines the working of statecraft. It accentuates the reason why the “the Law Commission” finds that “the common law”, as the Supreme Law of the land”, the codes rules and regulations, policy and statutes are “not the law” - Supreme court case of *Self v Rhay Wn.*(2d) 261. Legislated statutes enforced upon the people in the name of law are a fraud. They have no authority and are without mercy. Justice without mercy is Godless and therefore repugnant to the United States Constitution as a yardstick. **Lawmakers were given authority by the people to legislate codes, rules, regulations and statutes which are policies, procedures and “law” to control the behaviour of bureaucrats, elected and appointed officials, municipalities and agencies, but were never given authority to control the behaviour of the people.**
- (e) “Process of formation off-and enactment of Law”: **“A law is generally a command enacted by the people or the plebs on proposal of a magistrate (*Lex est general iussum populi aut plebis rogante magistrate*)”**
- (f) The administrative system of LAW and the enforcement thereof (social agreement with public – an agreement has at least two parties) that oversee the functions of State, are not supposed to allow a person (whether by fear or favour), or groupings to benefit from non-enforcement of the Law thereby creating precedence with a strategic objective, that if allowed, renders the Law mendable towards mendacity (fraud) in favour of the rich and powerful. The mendacity (fraud) of an initial deviation may not have a devastating effect on the wellness of the justice system, but a barrage of deviations soon demolishes the “Dignitas”, fairness, equality, righteousness and the quality of justice plummets into a pool of corruptness where borders of right and wrong became totally undefined, forfeiting the independence of the bench and the Justice System. The LAW should not be sensitive towards political party influence, elections, and individual influence of Lawyers, Advocates, Judges or paid footman. Refer to **Annexure 1 and the declared strategy of the Ghazaryan Mafia (head of the snake/serpent).**
- (g) The oldest recognised law is Common Law, which is equal to the Creator's Law (which cannot be changed, and forms the basis of Canon Law as practised by the Roman

Catholic Church with little variation to Natural Law. Criminal prosecution procedure is tuned in on Common Law Transgressions and if a Criminal Procedure and a Civil Procedure shares the same set of evidence, the Civil Procedure is generally stayed until the criminal procedure has been completed. It follows logically that **the original Law (Common Law, also Universal Law) is owned by the Creator and that any subsets or laws that are derived, is/are a conclusion of the following facts; -**

- i). **Common expectation of law whose function is one of protection to whom it is intended to regulate, is to benefit all if such a law is uniformly respected (made amongst people for the community) enforced and executed, that it shall be for the benefit of all.** This is true from the basic construct of a family, extended family, a nation, nations and humanity as a collective.
- ii) **No one person in any country is supposed to make a law on its own, or to force passing of a law by lobbyist groups excluding the majority of the population, will only breed corruption, and**
- iii) **Law's objective from ancient times was to protect society, groupings, to keep their interest in tact, not to be dependent on a person (man/woman) to maintain values such as equality, fairness, justice, righteousness, security including considerations of maintenance of the environmental conditions to maintain a healthy society with applied mercy, and**
- iv) **a law construct to be in common understandable language, to be known to all, to be absorbable and understandable, which is generally command enacted by the people or the plebs on proposal of a magistrate, and**
- v) **the LAW administrative- and the enforcement system should apply the law without fear or favour or exclusions, thereby prevent creation of precedence with a strategic objective to render the Law mendable towards mendacity (fraud) in favour of the ill willed, the rich or powerful.**
- vi) **All the aforementioned confirms the commonality of Law to all, similar like the principle of property constructs that is common to all (*Res Communis*) which cannot be owned by a person (individual, company, corporation, association, etc) because it is common to all and cannot be owned. Therefore, the distribution of money (Law Machinery Administrative & enforcement) cannot be owned by a person (inclusive of the ownership relating to an individual, company, corporation, association, etc) because it is common to all and Res Communis.**

It is common knowledge that a sect the 'Ghazaryan Mafia'⁷, was and is the catalyst for almost all known wars {forcing perpetual war economics- and legal systems based on the creation of scarcity sustained by secrecy, which results in poverty and destruction

- 1.2 **"If my sons did not want wars, there would be none."** – {Gutle Schnaper, Mayer Amschel Rothschild's wife.}
- 1.3 **"The few who understand the system will either be so interested in its profits or be so dependent upon its favours that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantage that capital derives from the system, will bear its burdens without complaint, and perhaps without even suspecting that the system is inimical to their interests."** {The Rothschild brothers of London writing to associates in New York, 1863}.
- 1.4 "You bankers are a bunch of vipers and I will rout you out; if the American people ever find out how you operate there will be a revolution before morning." President Andrew Jackson took over as president in 1833.
- 1.5 I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people allow private banks to control the issue of their currency, first by inflation, the banks and corporations that will grow up around {the banks} will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered. **The issuing power should be taken from the banks and restored to the people, to whom it properly belongs.** (Thomas Jefferson Vice Pres. 1797-1801 & Pres, 1801–1809) - izquotes.com.

Take it away from them, but leave them the power to create money and control credit, and with the flick of a pen, they will create enough money to buy it back again.** (2) The modern banking system manufactures money out of nothing. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity. But the world is now more sophisticated and prepared to march toward a world government."

1.2 Conclusion regarding the References and quotes

I deny that by considering the timespan of these quotes presented (approximately 200 years plus), that it is not evident, that the banking families have since time and remembrance by design; -

- i) Has created a secret and parasitic financial system of scarcity, expropriating progressively all wealth, from all nations, across the world against the legal maxim that **"all those things are subject to concern by the citizenry (*res publica*)** - the second party in formulation of all Law. Refer to **Annexure 01 & 02**.
- ii) **Has corrupted the world's legal teachings systems, advocacy of international rights through legislators to be done in such a way that when enacted it will wipe out national rights replacing the proper perspective of law and rights.** The aforesaid will cause nations to be ruled by 'civil laws' (Admiralty Law, rules & regulations) which regulates the citizens relations, fading natural law into nonexistence, forcing immunity from law for the super-rich. All curriculums from source of Cannon Law (from creation) throughout all other variations of law created has been corrupted for the International Court of Justice (ICJ), International Criminal Court (ICC), the United Nations Organisations, Interpol, WB, IMF, BIS, WEF including its general application by Police Forces, Law Administrative Systems & Records, the Courts on all levels, created as stated in paragraph 1.3 above.
- iii) Has committed global fraud by intent 'ill-willed and premeditated (*malice*)'/'fraud with confident consciousness (*dolus indirectus*),' for the 'retrieval of money (wealth)

not owned (*condiction*),’ with widespread concealment as explained amongst others by Ken Hickmott with the “All Power of Attorney fraud.”¹²

- iv) Has created a system wherein the majority of all legal practitioners (inclusive of auditing paternity) are participating in the recorded crimes against humanity as “enemy of the human race (*hostis humani generis*)” and working against ‘what is right and good (*ex aequo et bono*).
- v) **HAS illegally lobby for-, present-, offered gratification(s) as bribes and implement a private ownership system of the administration and distribution of wealth worldwide in accordance with the principles/actions contained in References ^{3, 4, 6, 7, 8, 9, 10} & ¹¹ above and Annexures 01 & 02, claiming ownership of a property construct that is common to all and not subject to private ownership (*Res Communis*) as ‘offenses or torts that were committed with the full awareness of the offence/tort so committing (*scienter*)’.**
- vi) That the functions of financial institutions, like the Bank of International Settlements (BIS), the International Monetary Fund (IMF), the World Bank (WB), Central Banks across the world, Prime Banks, Commercial Banks, Investment Banks, Insurance Companies, Asset Managing Companies, Stock Exchanges, etc., the Magistrate Courts, Supreme Courts, the International Court of Justice (ICJ), the International Criminal Court (ICC), the United Nations Organisation, World Economic Forum (WEF), World Health Organisation (WHO) ¹³ and all functions of state across the World relating to Finances, Treasury, Commerce, Training/Education, Health and Law operations, **were seriously impeded upon/captured by the criminally referenced above.**
- vii) Has applied wilful and planned mismanagement of economics, legal principles embedded with corruption, committed premeditated murders to support the criminal plan of **satan**, in vain claiming ownership of Creation from the Creator **ELOHIM**, and has by design planned- and instigated wars as crimes against humanity (the crown of Creation) with the full awareness of the offence/tort so committing over generations.

According to some predictions, obesity will likely run rampant and political corruption will become so common place, as to be accepted. People with nothing entertaining or informative to say will broadcast their demands for attention, and once beloved performer will become pushers of snake oil. Perhaps worst of all, will be the emergence of a deadly and potentially devastating disease. Think of the last time that you contracted influenza. You were likely bedridden for days, having no appetite or desire to play games. Experts predicts that by the year 2020, a new virus will rise, spreading from somewhere in Asia to the rest of the World. And with International travel being available to even the most common citizen, a sickness that would have been contained in years past, will quickly spread to all corners of the globe.”

25 February 2009, Dr Henry Kissinger made the reported statement to a World Health Organisation (WHO) council.

“Once the herd accepts mandatory forcible vaccination, it’s game over! They will accept anything – forcible blood or organ donation – for the greater good.” Control the sheep mind and you control the herd. Vaccine makers stand to make billions, and many of you in this room today are investors. It’s a big win-win! We thin out the herd and the herd pay’s us for providing the extermination services. Now, what is for lunch, huh?

2.0 The process forward

The way forward to benefit all, needs to be supported by strong principled leadership who will lead by conviction without lamenting. I deny that it is not obvious that the world cannot sustain such financial- and legal system abuse as shown above, with constant attacks on humanity and their habitat, as well as the habitat of the animals created on earth for the benefit of humanity under the care of humanity, and not by the Cabal/Deep State/Ghazaryan Mafia/Ashkenazi Mafia ¹⁴ as enemy of the human race (*hostis humani generis*) ¹⁵; therefore, it is opportune **to order protection of the human race having legal standing with this Writ enforcing “the safety of the nations (human race) is the highest right – (*salus populi suprema lex*); -**

2.1 Standing:

Locus Standi; in law is the right to bring an action on ‘good grounds’ or to participate in an action that encapsulates three requirements of standing; **(1) The plaintiff must have suffered or imminently will suffer injury - an invasion of a legally protected interest which is concrete and particularized; (2) there must be a causal connection between the injury and the conduct complained of; (3) it must be likely, as opposed to merely speculative, that a favourable court decision will redress the injury and therefore, I deny that the reference letter does not indicate beyond any reasonable doubt Standing for both the Alpha Omega Trust and Julian Bazan Divinagracia as would be eminent from the evidence and principles addressed in this Writ; -**

2.1.1 Criminal neglect of Duty of Care

We deny that the **United States of America Government, the U.S Military, the US Treasury, the United Nations Organisation, the Federal Reserve, the World Bank (WB), the International Monetary Fund (IMF), the Bank of International Settlements (BIS),**

'FACTS ARE FACTS'-THE TRUTH ABOUT KHAZARS(the so-called Jews). Distinguishing between the "Jew", and Hebrews who are Israelites. By Benjamin H. Freedman: "A Jewish man writes about the Jews' DEDICATION: **To all men of good will of all racial origins and of all religious faiths Knowledge is a collection of facts.** Wisdom is the use of knowledge. Without facts there is no knowledge. Without knowledge there is no wisdom. **Facts prevent what nothing can cure.** Facts are Man's best defence mechanism. Without them men fumble, falter and fail. Without them nations decline and fall. **Wisdom wins wars before they start.** Knowledge aborts national hostilities. **Wisdom obviates racial antipathies.** Knowledge effaces religious animosities. Central Banks, Commercial Banks and the Rothschilds Asset Management has not criminally neglected their Duty of Care individually and severably in an attempt to hijack/organised thievery of the assets belonging to the ALPHA OMEGA TRUST and ultimately Julius Bazan Divinagracia, that has funded/backed the whole world financial system for centuries, which wealth and assets were knavishly misused by the Ghazaryan Mafia attempting to steal all, who through lobbyist groups and corrupt practices control the USA Treasury, the Federal Reserve system, the WB, (IMF), BIS, WEF, UN, WHO has contrary to agreement in favour of humanitarian projects applied the assets and wealth in destructive manners against humanity. (Breach of the Agreement which determines that in such a case/event, that all the wealth falls back to the original owners {Alpha Omega Trust & other Donors} and that all benefits derived from the management of the assets are automatically recoverable.)

‘Judge’ Anna von Reitz letter; dated 2nd March 2020 at 06:36; sent to the duly elected President of the Republic of the United States of America President Trump has reference, stating that; -

- a) We deny that the Trusteeship of the Philippine Government has not been **terminated, permanently and legally been removed from the said “independent government of Philippines”**, established in 1934, at midnight 00:00 hour on 3rd March 2020 and that such trusteeship was reinstated.
- b) We deny that the Government of the Philippines has not successfully complied to the legal demand to make correction(s) of the circumstance within three days of publication, **failing which the Government of the Philippines has forfeited all trust assets back to the Donors**; in terms of payment of “rent” on the Philippine Islands as well as the cost of defending the Philippine Islands during World War II and since, which had become due and payable on 4th March 2020.
- c) We deny that **all rights pertaining to the Alpha Omega Trust assets and their utilisation, do not vest with Trustees and their Appointees under direct instruction of the Alpha Omega Trust’s Principal Donors and/or their Heir(s).**
- d) We deny that a fraudulent and criminal action was not being performed by a criminal gang **which has no standing** producing a “fake agreement” that will not/cannot be honoured by the United States of America as valid, inclusive of the rest of the world. That this fake agreement **as ordered by a “ringer”/imposter who signed a false agreement** published dated approximately 13th October 2017, rendering all subsequent orders and related press releases by the ‘Rothschilds’ linked to this fraudulent act, void since 13th October 2017. The criminal gang influence extended to what the public were allowed to read and see and what should be concealed to forward the Ghazaryan Mafia's agenda forcing indebtedness worldwide and war economies competing for resources instead of managing resources.

²⁰ **Terrorism and Extremism def. UK** "Terrorism is an action or threat designed to influence the government or intimidate the public. Its purpose is to advance a political, religious or ideological cause. The current UK definition of terrorism is given in the Terrorism Act 2006. In the UK we define terrorism as a violent action that: **-(a)** Endangers a person's life, other than that of the person committing the action; **(b)** Involves serious violence against a person; **(c)** Causes serious damage to property; **(d)** Creates a serious risk to the public's health and safety; **(e)** Interferes with or seriously disrupts an electronic system.

But how does terrorism differ from extremism? The Counter Extremism Strategy 2015 says: "Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty, and respect and tolerance for different faiths and beliefs. We also regard calls for the death of members of our armed forces as extremist." It's important to remember that not all extremist groups, whether Islamist, extreme right-wing, mixed and unclear ideologies, or other, will commit terrorist or violent acts. However, some groups pose particular threats, both online and offline.

²¹ **18 U.S. Code § 2331 defines "international terrorism"** as activities that: **(A) involve violent acts or acts dangerous to human life** that are a violation of the criminal laws of the United States or of any State, or that would be a criminal violation if committed within the jurisdiction of the United States or of any State; **(B) appear to be intended— (i)** to intimidate or coerce a civilian population; **(ii)** to influence the policy of a government by intimidation or coercion; or **(iii)** to affect the conduct of a government by mass destruction, assassination, or kidnapping; and **(C) occur primarily outside the territorial jurisdiction of the United States, or transcend national boundaries in terms of the means by which they are accomplished, the persons they appear intended to intimidate or coerce, or the locale in which their perpetrators operate or seek asylum...**

That "domestic terrorism" as activities that: **(A)** involve acts dangerous to human life that are a violation of the criminal laws of the United States or of any State; **(B) appear to be intended — (i)** to intimidate or coerce a civilian population; **(ii)** to influence the policy of a government by intimidation or coercion; or **(iii)** to affect the conduct of a government by mass destruction, assassination, or kidnapping; and **(C) occur primarily within the territorial jurisdiction of the United States...**

²² **Declaration on Measures to Eliminate International Terrorism (1994) from the General Assembly of the United Nations:** "Criminal acts intended or calculated to provoke a state of terror in the general public, a group of persons or particular persons for political purposes are in any circumstance unjustifiable, whatever the considerations of a political, philosophical, ideological, racial, ethnic, religious or any other nature that may be invoked to justify them..."

Resolution 1566 (2004) adopted by the Security Council of the United Nations: "...criminal acts, including against civilians, committed with the intent to cause death or serious bodily injury, or taking of hostages, with the purpose to provoke a state of terror in the general public or in a group of persons or particular persons, intimidate a population or compel a government or an international organization to do or to abstain from doing any act, which constitute offences within the scope of and as defined in the international conventions and protocols relating to terrorism, are under no circumstances justifiable by considerations of a political, philosophical, ideological, racial, ethnic, religious or other similar nature..."

Article 2 of the International Convention for the Suppression of the Financing of Terrorism of 1999 adopted by the General Assembly of the United Nations: "...**(b)** Any other act intended to cause death or serious bodily injury to a civilian, or to any other person not taking an active part in the hostilities in a situation of armed conflict, when the purpose of such act, by its nature or context, is to intimidate a population, or to compel a government or an international organization to do or to abstain from doing any act..."

²³ **The Framework Decision on Combating Terrorism (2002) from the European Union:** "...the intentional acts referred to below in points **(a)** to **(i)**, as defined as offences under national law, which, given their nature or context, may seriously damage a country or an international organisation where committed with the aim of: — seriously intimidating a population, or unduly compelling a Government or international organisation to perform or abstain from performing any act, or seriously destabilising or destroying the fundamental political, constitutional, economic or social structures of a country or an international organisation, — shall be deemed to be terrorist offences: — **(a)** attacks upon a person's life which may cause death; **(b)** attacks upon the physical integrity of a person; **(c)** kidnapping or hostage taking; **(d)** causing

Reference the Green Hilton Accord, officiate by the former President John F Kennedy and my late father President Soekarno of Indonesia on the 14th of November 1963.”** Refer to **Annexure 08.**
- v) I deny that the Position of M1 is not by election, as confirmed by publication in **Annexure 17** press reports **d) & e)** “The Elected M1 Sukarno and Kennedy Connection – In 1945 Asia and the West “Elected” President Sukarno.” In addition, it could not be passed on by inheritance because the World Financial System is largely supported by the Alpha Omega Trust assets comprising mostly of the Alpha & Omega Divinagracia Family Trust represented by Julius Bazan Divinagracia ($\pm 70\%$) plus other donors, who in law ultimately have the right to fulfil or appoint the ultimate caretaker independently as Monitory One (M1) including the asset management of the said assets. I deny that the approach to reassign the M1 position to Judge Adriaan R Fondse and the UCC to oversee the proper address was not to streamline, and to correct a wrong system, representing ample support and mandates representing approximately 1.6 billion people (by means of Special Power of Attorney) to balance and correct the world financial- and legal system as well as Special Power of Attorney from the primary sponsors do so.
- vi) I deny that Mr Sansaimon Bin Muri did not in person confirm that during the dedication of a new mausoleum over President Sukarno's grave, it was found that the grave was empty, leaving either one of several options (1) President Soekarno was not dead as announced across the world in fake media ²⁶ (2) or that the body of former President Soekarno was removed for some nefarious acts like a possible cloning for a dark agenda and control enforcement.

²⁶ CIA main focus was to distort all reporting to reach a position that everything that was believed to be true was false, and who was the organisation prohibiting the implementation of the Green Hilton Memorial Agreement by the arranged assassination of President John F Kennedy and the coup d’état against President Soekarno with estimated death of a million supporters.

- viii) I deny that the legal platform of the Universal Commercial Code (UCc-1) as agreed with the previous claimant of the position of Monetary One (M1), Sansaimon Bin Muri, does not present an ideal platform to finalise and settle all outstanding World financial System questions with a broad-based participation and design finalisation.

Principle Agreement - Workers of the Light – regarding the implementation of the Green Hilton Memorial Agreement / Quantum Financial System - Dated: 14 January 2023 authenticated by a person generally referred to as Pappi signed as former President Soekarno. Refer to **Annexure 10**.

- l) I deny that the intent of the said agreement does not reflect what is needed and required in the world for realisation of abundance for all, freedom, justice and peace ²⁷, **contra** to the current financial system being used to enslave humanity by a progressive thieving system, weaponised by the Ghazaryan Mafia. I deny that the Ghazaryan Mafia has not knavishly weaponised the world’s financial system against humanity, through creation of conflicting religions, conflict advocating/creation and financing of military competition accentuating the created divisions to obtain world control “*Wars should be administered not to result in territorial gains, but on economic gains, in order to prevent the nations from recognizing the strength, predominance or tactics that will put both sides of war at the mercy of the ‘international body of agents’ (Agentur), with millions of unidentified purchased eyes always on the watch, unhampered without any limitations whatsoever.*” Refer to **Annexure 01**.

- i) I deny that although it was announced that President Soekarno has died on 21st June 1970, Jakarta, Indonesia, a comparison of signatures does not indicate that the agreement referenced above, signed by “Pappi,” appears to be indeed President Soekarno, or? If the signature was indeed the signature of former President Soekarno, it means that he would be 122 years of age which is not impossible to reach.
- ii) I deny that the announcement of the death of the former President of Indonesia and as the elected M1 would not have terminated the position held as M1, unless

Take note that only the upper layer of assets and accounts could be attached and that many others would be identified as the auditing process progress, as a practical arrangement to keep this writ in a manageable format and size, and that no claims of waivers or abandonment are applicable.

Avenue New York, former President Marcos of the Philippines²⁹ and current President of the Philippines does have any standing or legal possibility. In addition, I deny that the wealth in account referenced proclaimed to be “diffused” under codename “AAA -Account no. FM-01-777 and Spiritual King Solomon of Israel” ever reached the intended beneficiaries ‘the people that is human apart from Committee 300 Members and it being hidden in Off Ledger Accounts’ and that diffusion did not reached the intended beneficiaries instructed by the management of the Alpha Omega Trust and this authority. **All the organisations referenced in this paragraph, existence and operation is subject to the use of the Alpha Omega Trust assets which are withdrawn, because ‘righteousness cannot exist in the presence of a fraudulent environment or depend on fraud’ (*ex dolo malo non oritur actio*) and ‘no claim can be founded on fraud’ (*ex dolo malo non oritur action*)” even by an ‘officious agent/fake agent (*falsus procurator*) keeping in mind that, ‘if the evidence is false in one aspect the evidence would be false throughout’ (*falsus in uno falsus omnibus*)**

CIA interface with Criminal Cabal/Ghazaryan Mafia

- o) I deny that the CIA, it’s owners, it’s lobbyist groups or benefactors (mostly the Ghazaryan Mafia with specific reference to Henry Kissinger, John D Rockefeller, Rothschilds, Windsor’s, banking families and Bankers in general) were ever protected by any law having immunity for all the despicable and knavish acts/deeds of deceit, theft, murder, subversion, genocide, etc they performed globally against humanity from any jurisdiction on earth and beyond. I deny that the CIA Operatives including its owners, management, lobbyist groups, and benefactors are not individually and collectively accountable for anti-human transgressions, being a demonstrated ‘enemy of the human race’ (*hostis humani generis*). Refer to all the above with specific reference to paragraph **1 Introduction**, the Annexures and specifically **Annexure 17** items **d)** and **e)** as per example of evil planned and executed against humanity with an ongoing intent.

Annexure 01

A Summary of the Protocols of the Learned Elders of Zion applied in plain sight: Edomite Jews (Ashkenazi Jews without any relationship to Jacob/Israel) formed the Jewish Zionism. The “Elders of Zion” has since the year 2488 after creation, adopted a plan of “peaceful conquest of the whole world” by the snake/serpent of Zion’(satan) in opposition to the God of Zion. For purpose of planning, communication and implementation an **‘assembly of 300’** was established, long before the make-believe social transformation of the Ghazaryan King Bula, to “Jewish Judaism”.

The “Jewish Judaism” was/is a tool of deceit that establish Zionism in the Vatican, and to infiltrated first the European societies, second the Eastern societies and the churches, that worked "behind the scenes" in secret, infiltrating all governments and religions with secret societies for control, advocating perpetual war and related war finance.³³ Continuation is ensured by men initiated into the Secret Protocols.³⁴ The head of the snake is represented by the “Committee of 300” with remaining body of Edomite Jews/Ashkenazi/fake Jews,³⁵ to constitute the balance of earth’s population planned for 500,000,000 five hundred million after depopulation of the earth.

**1968- Georgia Guidestones = UN Agenda 21

500 million Ghazaryan’s to remain.

Head of the snake - Banco Ambrosiano**

³⁴ “The supreme art of war to subdue the enemy without fighting”, - (Sun Tzu, The Art of War).

³⁵ “Revelations 2:8 & 9; Write to the angel of the church of Smyrna and say. “Here is the message of the First and the Last, who was dead and has come to life again. I know your Hardships and your poverty, and - though you are rich - the slander of the people who falsely claim to be Jews, but are really members of the synagogue of Satan
Revelations 3:7 -9; Write to the angel of the church in Philadelphia and say. “Here is the message of the holy and true one who has the key of David, so that when he opens, no one close, and when he closes, no one will open. I know about your activities. Look, I have opened in front of you a door that no one will be able to close – and I know that though you are not very strong, you have kept my commandments and not disowned my name. Look I am going to make the synagogue of Satan – those who falsely claim to be Jews, but are liars, **because they are no such thing** – I will make them come and fall at your feet and recognized that I have loved you.” -- New Jerusalem Bible.

The target set by UN's Agenda 21, shown and demonstrated by the Georgia Guidestones picture above.

The "peaceful conquest" refers only to the members of the 'Globalist Cabal', never to be directly involved, who should act with such subversion techniques, utilizing the entire machinery of politics through a whole body of lobbyist and agents to be identified by the Symbolic Snake of Judaism with the slyness of a snake, (the Zionist Administration). They are to subdue the world's countries by War Economies, Economic Crises, Global Destruction, brought about by sexual perversion by pervasiveness (beyond customary bounds, unrestrained & harmful, repugnance, brutally & uncontrolled applied to the innocent) ³⁶ whether forceful or by deceit to create a climate of spiritual demoralization and moral corruption as a norm in the lives of the leading men & heads of nations, ³⁷ to be supported with controlled perverse & false curriculums of education promoted and strengthen by a world media coverage that will conquer the nations.

Wars should be administered not to result in territorial gains, but on economic gains, in order to prevent the nations from recognizing the strength, predominance or tactics that will put both sides of war at the mercy of the 'international body of agents' (Agentur), with millions of unidentified purchased eyes always on the watch, unhampered without any limitations whatsoever.³⁸

The advocacy of international rights through legislators should be done in such a way that, when enacted, it will wipe out national rights replacing the proper perspective of law and rights. The aforesaid was used to cause nations to be ruled by 'civil laws' (Admiralty Law, rules & regulations) which regulates the citizens relations, fading natural law into nonexistence, ³⁹ forcing immunity from law for the super-rich.

Useful tools of division for War Economies utilized by the Synagogue of Satan, was/is ethnicity, colour and religion applied on a global scale together with private institutions owned by them operating within all nations and governments (United Nations, World Bank, World Health Organization, Counsel of Foreign Relations, World Economic Forum, World Food Program, National Institute of Health, Centre for Disease Control, etc,) purport to support world peace or peace orientated programs while working for the destruction of societies. Owned by minorities they are decoys, hiding the real agenda pushed unnoticed onto the public, they are employed

³⁶ Human trafficking of children, sex scandals of judges and all kind of officials, adrenochrome harvesting & dependency.

"The future certainly looks bright, but it isn't without its darker sides. According to some predictions, obesity will likely run rampant **and political corruption will become so common place, as to be accepted.** People with nothing entertaining or informative to say will broadcast their demands for attention, and once beloved performer will become pushers of snake oil. Perhaps worst of all, will be the emergence of a deadly and potentially devastating decease. Think of the last time that you contracted influenza. You were likely bedridden for days, having no appetite or desire to play games. **Experts predicts that by the year 2020, a new virus will rise, spreading from somewhere in Asia to the rest of the World. Although the Ghazaryan planners are all white and never mix, they operate as an ultimate exclusive and ‘sovereign club’, with a ‘public face’ that exploits and confronts differences as injustices, while they are the ones creating the injustices, poverty, scarcities and lack worldwide, steeling everything from the world’s population through the financial system. ⁴⁰ ‘Engage people with what they be made believe; and by repetition over time their ability to discern falls away and the projections are strengthened. It settles them into predictable patterns of response, occupying their minds while waiting for the extraordinary moment — that which they cannot anticipate.’ — Sun Tzu, The Art of War.

⁴¹ “Thus we may know that there are five essentials for victory: (1) He will win who knows when to fight and when not to fight; (2) He will win who knows how to handle both superior and inferior forces; (3) He will win whose army is animated by the same spirit throughout all its ranks; (4) He will win who, prepared himself, waits to take the enemy unprepared; (5) He will win who has military capacity and is not interfered with by the sovereign.” — Sun Tzu, The Art of War

We will keep their lives short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so that they never see what is happening. We will use soft metals, ⁴² aging accelerators and sedatives in food ⁴³ and water ⁴⁴ as well as in the air.⁴⁵ They will be covered in poisons wherever they turn.

⁴² Aluminium, lead contamination, cadmium, Arsenic, etc. causing diarrhoea, nausea, abdominal pain, vomiting, shortness of breath, tingling in your hands and feet, chills, weakness. Metal-specific symptoms are; **Mercury poisoning** symptoms: lack of coordination, muscle weakness, hearing and speech difficulties, nerve damage in your hands and face, vision changes, trouble walking. **Lead poisoning** symptoms: constipation, aggressive behaviour, sleep problems, irritability, high blood pressure, loss of appetite, anaemia, headaches, fatigue, memory loss. **Arsenic poisoning** symptoms: nausea, vomiting, diarrhoea, red or swollen skin, spots on your skin such as warts or lesions, unusual heart rhythm, muscle cramps. **Cadmium poisoning** symptoms: fever, breathing problems, muscle pain, loss of developmental skills in children.

The study found that participants with the highest levels of dichlorophenols in their bodies were more likely to have the most food allergies. ⁴⁵ Air contamination by private scientific companies/government inject poisons into the atmosphere by the trails of jet planes for mind control, human population control, and biological warfare, that is they are causing respiratory and other health problems. This includes barium, cadmium, nickel, mould spores, yellow fungal mycotoxins, **aluminium as a hot-fire agent** and the best — radioactive thorium. The one chemical that is being sprayed the most is aluminium. It can cause all sorts of health problems. The chemical primarily attacks the central nervous system and can cause everything from disturbed sleep, nervousness, memory loss, headaches and emotional instability. Long ago a large group of people follow these celestial activities, sampling of these traces according to the findings of some private laboratories, they are different biologically and pathogens, microorganisms and until certain metals such as salts of barium and aluminium particles of micron size. So far in these chemical traces found the following agents: **(1) Pseudomonas Aeruginosa - bacteria that mostly affects the human respiratory system; (2) Pseudomonas fluorescens - causes blood infections and respiratory; (3) Serratia marcescens - pneumonia, brain inflammation, inflammation of heart muscle; (4) Mycoplasma fermentes incognitus - types of pathogens that are assumed to be bio - inzhenerirani in U.S. military laboratories, and which was found in 45% of U.S. soldiers suffering from so-called Gulf syndrome; (5) Streptomyces and other fungi; (6) Some types of yeast; (7) Certain bacteria that contain specific enzymes that are able to alter human gene; (8) barium salts; (9) Aluminium - particles of micron size (it is interesting that people who suffer from Alchajmerova disease have a greater amount of aluminium in the brain); (10) Ethylene dibromide (dibromoethane) C2H4Br2 - carcinogenic fuel additive and insecticide smell of chloroform; cause depression of the CNS, pulmonary edema**

The soft metals will make them lose their minds. We will promise to find a cure from our many funds, and yet we will give them more poison. Chemical poisons will be absorbed through the skin of idiots who believe that certain hygiene and beauty products presented by great actors and musicians, will bring eternal youth to their faces and bodies, and through their thirsty and hungry mouths, we will destroy their minds and systems of internal organs. reproduction. However, their children will be born as disabled and deformed and we will hide this information.

The poisons will be hidden in everything around them, in what they drink, eat, breathe and wear. We have to be ingenious in distributing the poisons because they can see far.^{46 a 47} We'll teach them that poisons are good - with funny pictures. and musical tones on TV. and irritates the lining of the respiratory tract - it seems that it is the cause of the characteristic cough ("kemtrelj cough") that occurs in humans after spraying certain areas; **(11)** Dehydrated human red and white blood cells (erythrocytes and leukocytes); **(12)** Fibrous filaments (task to the designated microorganisms found in the chemical mixture to provide a living to reach the ground because normal atmospheric conditions would be destroyed. Areas so that the spraying can find similar fibrous threads of the cobweb which are very toxic); **(13)** Viruses and prionite not officially confirmed. However, shortly after spraying a lot of people in the affected areas are sick during a survey of various respiratory diseases and influenza-like illness. All this is accompanied by increased mortality in the elderly and children. Also in the population occurs a general lethargy and other symptoms of diseases of the nervous system.

It was noted that the areas that are regularly sprayed become dry and cited many to conclude that there are about climate modification. But it seems that the drought is causing one of the side effects of chemical traces.

⁴⁶ "The fortunes of Carnegie, Morgan and Rockefeller finance surgery, **radiation, and synthetic pharmaceutical drugs**. They were to become the economic foundations of the new medical economy. The takeover of the medical industry was accomplished, by the takeover of the medical schools. Well, the people were are talking about Rockefeller and Carnegie in particular, came into the picture and said "we will put up money". They offered tremendous amounts of money, to the schools that agreed to co-operate with them. The donors said to the schools "we giving you all this money, now would it too much to ask if we could put some of our people on your board of directors, to see that our money is being spend wisely?" Almost overnight, all of the major universities received large grants from these sources and also accepted one, two or three of these people that I have mentioned on their board of directors and the schools, literally, were taken over by the financial interests that put up the money. Now, what happened as a result of that, the schools did receive an infusion of money, they were able to build new buildings, they were able to add expensive equipment to their laboratories, they were able to hire top notch teachers, but at the same time as they were doing that, they skewed the whole thing in the direction of pharmaceutical drugs. That was the efficiency in polyanthropy. The doctors from that point forward in history would be taught pharmaceutical drugs. All of the great teaching institutions in America, were captured by the pharmaceutical interest in this fashion, and is amazing how little money it took to do it. Surgery became viable with anaesthesia and infection control. Then doctor advocated expensive radical operations. This in turn produced the need for a large lucrative hospital system. Radian fever swept medicine; the price of radian rose one thousand percent almost overnight. Another costly technology industry entered the hospital system. The drug industry grew out of the booming patented medicine business. The doctors changed educational standards and licensing regulations to exclude the empirics. Soon, only AMA approved doctors could legally practice medicine. In a brief twenty years, the AMA came to dominate medical practice. Organised medicine launched a media campaign to associate the empirics with quacks. The code word for competition, was quackery. So now, the average doctor goes to school, he gets a great education, he has to be really smart to get through it, he has learned all about drugs, he doesn't know to much about basic nutrition. I have found that the average wife of these physicians knows more about nutrition than he does, but they sure know their drugs. And if you go to your typical doctor today, I don't care what it is, the chances are that you are going to walk out of there with a prescription. Why?? Because that is what he is being trained to do." G. Edward Griffin.

⁴⁷ Black Junction: How Rockefeller founded modern medicine and killed natural cures. "About the same time that John D Rockefeller seized US media, he also hijacked US medicine. When it was discovered that drugs can be produced from Petroleum, America's top oil mogul, order his army of propagandist, to invert reality accordingly. Medicines Used for thousands of years were suddenly classified as "Alternative", while the new, petroleum based, highly addictive, and patternable drugs. were declared the gold standard. After buying a German pharmaceutical company that manufactured chemicals of war for Adolph Hitler, Rockefeller leveraged his political influence by pressing congress to declare natural healing modalities, unscientific quackery. Rockefeller then took control of the American Medical Association (AMA), and

began offering massive grants to top medical schools, under the mandate that only his approved that only his approved curriculum be taught. Any mention of the healing powers of herbs, plants and diet was erased from most medical text books. Doctors and professors who objected to the Rockefellers plan, were crucified by the media, removed from the AMA and stripped from their licence to teach and practice medicine. Those who dare to speak out, were arrested and jailed. When evidence begin to emerged that petroleum-based medicines, were causing cancer, Mr Rockefeller founded the American Cancer Society through which he suppressed that information. John D Rockefeller is duly credited as the founder of the pharmaceutical industry, and the reason that medical error is currently the 3rd leading cause of death in America. This is not an indictment against doctors, more than everyone, they are under the stranglehold of the single largest lobbying power in Washington. Every year the pharmaceutical industries, spend at least twice the amount as big oil, to influence laws and policies and public perception. Thanks to Mr Rockefeller the architect OF THE American monopolies, no industry has more influence and power over our lives than big pharma.” – **Plandemic Series.**

⁵⁰ Mercury is a heavy metal that occurs naturally in the environment. Mercury poisoning happens with overexposure to this metal, which is toxic to humans. It can build up in the body and excess amounts can be fatal. Mercury poisoning largely affects the human brain, nervous system, lungs, and kidneys. It has an extremely high affinity for the body tissues. In other words, once it is in your tissues, organs, and nerves, the body has a very difficult time eliminating it. You can take steps to help the body gather up and eliminate the mercury through a process called chelation. <https://www.vccid.com/can-my-dental-fillings-cause-mercury-poisoning/>

We will continue to make them live in fear and anger, we will give them images and sounds. We will use all the tools we have to achieve this. The tools will be provided by their work. We will make them hate themselves and their neighbours.

We will always hide the divine truth from them, that we are all one. That he must never know! They must never know that colour is an illusion, they must always believe that they are not equal. Drop by drop, drop by drop we will advance our goal. We will take over their lands, resources and wealth to exercise control over them. We will trick them into accepting laws that will steal the little freedom they have. We will set up a money system that will shut them down forever, keeping them and their children in debt.

When we ban them together, we will accuse them of murder and present a different story to the world because we will own all the media. We will use the media to control the flow of information and their feelings in our favour. When they rise up against us, we will crush them like insects, because they are less than that. They will be helpless to do anything about it.

The Great Fraud of 1930–33

1930 — Franklin Delano Roosevelt represents the United States of America, Inc., at the Geneva Conventions. G5 nations agree to declare bankruptcy by treaty in international jurisdiction in May of that year. Plans to remove from the gold standard are made.

1933 — Three years later, FDR is elected President of the United States of America, Inc., and promptly pursues USA, Inc. domestic bankruptcy as well. The banks name their Trustee: the Secretary of the Treasury of Puerto Rico. See Federal Title 5, Annotated, for details.

March 6, 1933 — The Conference of Governors is told that the United States of America (Incorporated) is bankrupt. They immediately “pledge” the “good faith and credit of their states and the citizenry thereof” in support. This can only refer to the Territorial “citizenry” as FDR already committed the Municipal citizens during his First Inauguration speech.

Nobody mentions that their states are merely franchises of the United States of America, Inc., and that their “citizenry” amounts to public employees, African Americans, and corporations formed under the auspices of the US, Inc.

Note: the actual Federation has sovereign immunity and can't go bankrupt.

Roosevelt issues Executive Orders announcing and implementing the domestic bankruptcy and moves to confiscate privately held American gold assets. In all, 20,000 tons are admitted to be taken, 6,000 to back the Federal Reserve, the rest to back the World Bank and IBRD and IMF.

The Federal Reserve ramps up its drive to sell people on its Federal Reserve Notes, a form of legal tender amounting to an I.O.U. The process of collecting data on Americans also ramps up. Bureaus of Vital Statistics spring up and under the guise of census functions and keeping public records, public registries of property are set up and Birth Certificates are issued — to claim Americans as property: Human Resources.

Birth Certificates are used to register “vessels in commerce” as property belonging to the United States of America, Inc. and pledged to pay the debts of the already bankrupt governmental services corporation. The people who were left uninformed continued to use their Trade Names as always. The perpetrators claim that this establishes an “implied contract” and “implied consent” to be considered “citizens of the United States” when in fact there was no disclosure, no apparent offer, and no conscious acceptance of this proposition.

"United States Citizens" (Territorial Persons) and "citizens of the United States" (Municipal PERSONS) serve the Federal Government (Parent Corporations). They live either in a Territorial democracy or a Municipal oligarchy (theocracy) and have no constitutional guarantees; their labor and their assets are pledged as collateral backing government debt. In return, they receive benefits from the Public Charitable Trust (PCT) — all of which they pay for themselves. They are subject to every whim of Congress until 1968 and then have only "equal civil rights" — mere privileges to rely upon. If the birthright Americans lose their claim to their Natural and Unalienable Rights there will be nothing left as a standard for civil rights to be equal to — leaving the door open to total enslavement of the people of this country, and the debasement of our society at the hands of Congress acting as a "plenary" oligarchy: Article 1, Section 8, Clause 17.

Our private lawful Trade Names on the land are arbitrarily redefined to be public Foreign Situs Trusts operating in Admiralty. This is a fraudulent conveyance and a crime known as unlawful conversion practiced against Americans in Gross Breach of Trust. These newly created Foreign Situs Trusts are considered to be "franchises" of the bankrupt United States of America, Inc. and they are subject to the British Government under Admiralty Law. No Public Notice is given and no effort is made to separate Employees from Employers.

For Example: the Bankruptcy Trustees seize upon the United States of America, Inc. > the State of Wisconsin, Inc. > and John Joseph Average, an American Foreign Situs Trust, purportedly operating as a franchise of the USA, Inc., howbeit, without his knowledge or consent.

The Territorial State of State acts as Equitable Title Holder, with the babies left to hold the Legal Title to their own Estates, and presumed to be "infant decedents" throughout their lives. None of this is ever fully disclosed. In 1937, the Legal Title is given to the Municipal Government, and the baby is merely recognized as an "Authorized Representative" — an Employee of his own estate. The Municipal Government, doing business as the UNITED STATES, INC. creates its own franchise: JOHN JOSEPH AVERAGE, a foreign Puerto Rican Cestui Que Vie Trust registered in Washington, DC by the DEPARTMENT OF COMMERCE, to manage the Legal Title.

CUSIP Bonds based on the estimated value of our lifetime earnings are issued and traded on stock exchanges. This practice of trading and speculating in the value of human labor is used to fund the government. "Federal revenue sharing" and "block grants" are polite euphemisms for racketeering kickbacks and payments from selling tranches of human labor bonds and other "public assets".

This criminal scam based on non-disclosure, fraudulent conveyance, unlawful conversion of assets, impersonation, and semantic deceit runs from 1933 to 1999, when the bankruptcy of the United States of America, Inc. is finally settled and discharged — but the crime scheme continues....

The "US TRUSTEES" — aka, the "United States Department of Justice" now reverses tactics and fails to re-convey the stolen assets owed back to the American people and the American States.

Instead, they place claims of abandonment on our fictional Municipal ESTATE TRUSTS, and rename the original Foreign Situs Trusts and pretend that now, they are Public Transmitting Utilities. John Joseph Average, British-owned and controlled Foreign Situs Trust, now becomes John J. Average, a Public Transmitting Utility, owned as a franchise of a bankrupt Puerto Rican Electrical Utility.

UNITED STATES, INC. > STATE OF WISCONSIN > JOHN JOSEPH AVERAGE, FOREIGN GRANTOR TRUST... is in the meantime seized upon by the Creditors of the UNITED STATES, INC. and USA, Inc., as abandoned Public Trust Property. The banks and others responsible for these deplorable crimes think that they can mount a "Claim on Abandonment" and steal everything in sight.

All these Principals: the Lord Mayor, the Queen, and Pope, owe the American People their assets back free and clear, and so do the courts and banks responsible for this grotesque Breach of Trust and mis-administration of American assets.

Two Forms of Law have been used to promote this fraud scheme and both are offended on behalf of the American victims of these crimes.

Under Admiralty Law, the applicable Maxim is: Possession by pirates does not change ownership.

We, the Autochthonous States and People are owed back every purloined asset.

Under Roman Civil Law (the Law of the Municipal United States) the applicable Maxim is: Fraud vitiates everything it touches.

We, the USNA Autochthonous States and People, have been defrauded by our own Employees acting in Gross Breach of Trust and Contract.

We hereby move the opinion and conscience of the entire world as embodied by the Royal International Court of Justice, the Court of the Lord High Steward, and the Vatican Chancery Court in our favor per 8216-8217 Titleship/Owership.

Dear Mr Trump, March First 2020

You are advised that the Trusteeship of the Philippine Government will terminate and be removed from said "independent government of Philippines", established in 1934, at midnight, March 3, unless certain conditions are met.

The Government of the Philippines is under demand to make correction of the following circumstance within three days of publication, or forfeit all trust assets back to the Donors, including the actual Julius Divinagracia. Rent on the Philippine Islands and the cost of defending the Philippine Islands during World War II and since then, will become due and payable on March 4, 2020, unless this matter is successfully concluded in our favour.

Julius Divinagracia entered the United States as a Permanent Resident and change his name to protect his identity more than twenty years ago. He adopted the State where he lives as his permanent home and domicile and has followed all the protocols his adopted State and the United Nations of America require to take this action, which stands published upon the Public Record.

Julius Divinagracia is under the protection of our government and has adopted a State of the Union as his permanent home and domicile.

He is not under any obligation of United States political asylum or citizenship.

He is neither a Territorial or a Municipal citizen of any kind.

An imposter of the Philippines has assumed his identity and has attempted to pass himself off as Julius Divinagracia, resulting in this nonsense.

<https://www.slideshow.net/ICJ-ICC/2017-unsadivinagracia-treaty>

This is Public Notice worldwide, that is a fraudulent and criminal action having no basis in reality, and it will not be honoured by the United States of America as anything valid.

Many hundreds of people worldwide have cause to know the truth.

We have the records and proof and we are not pleased with this dishonest attempt to (again) substitute a "ringer" just as the same Parties substituted their criminal commercial corporations and infringed upon our trademarks to promote confusion between "The United States of America Incorporated" and our government – The United States of America.

Any attempt to pass this fraud artist off as Julius Divinagracia is destined for failure and any action taken to acquiesce to this substitution will come to ruin. We denounced this as a complete and utter fraud owing immediate correction:

<https://www.google.ca/imgres?imgurl=https://i.ytimg.com/vi/DOE-xfopGM0/hqdefault.jpg&imgrefurl=https://www.youtube.com/watch?v%3DDOE-xfopGM0&tbid=G8VZjPLCipl7GM&vet=1&docid=6SolhYhrs0Hbhm&w=480&h=360&q=julius+divinagracia&source=sh/x/im>

We call upon you as Commander-in Chief to bring forward the lawful, legal and correct claims of Julius Divinagracia without allowing any further obfuscation, fraud, criminal interference, or obstruction. The funding for your government and many other governments depends on this chicanery being addressed and corrected.

No justice can result from further fraud and injustice. This pattern of behaviour must be overcome.

As of this afternoon, Julius Divinagracia has removed the Rothschilds and the United States from their Trusteeships, with prejudice, together with rejecting any role of the US Trustees and repudiation any presumption of bankruptcy

or abandonment of his assets. All treaties and papers and agreements signed by this Pilipino Interloper are denounced as open fraud.

The independent government of the Philippines has three days to get their man out of Shanghai and to come to Jesus. You, Mr Trump, and the Pacific Fleet are being requested and required to act in our behalf.

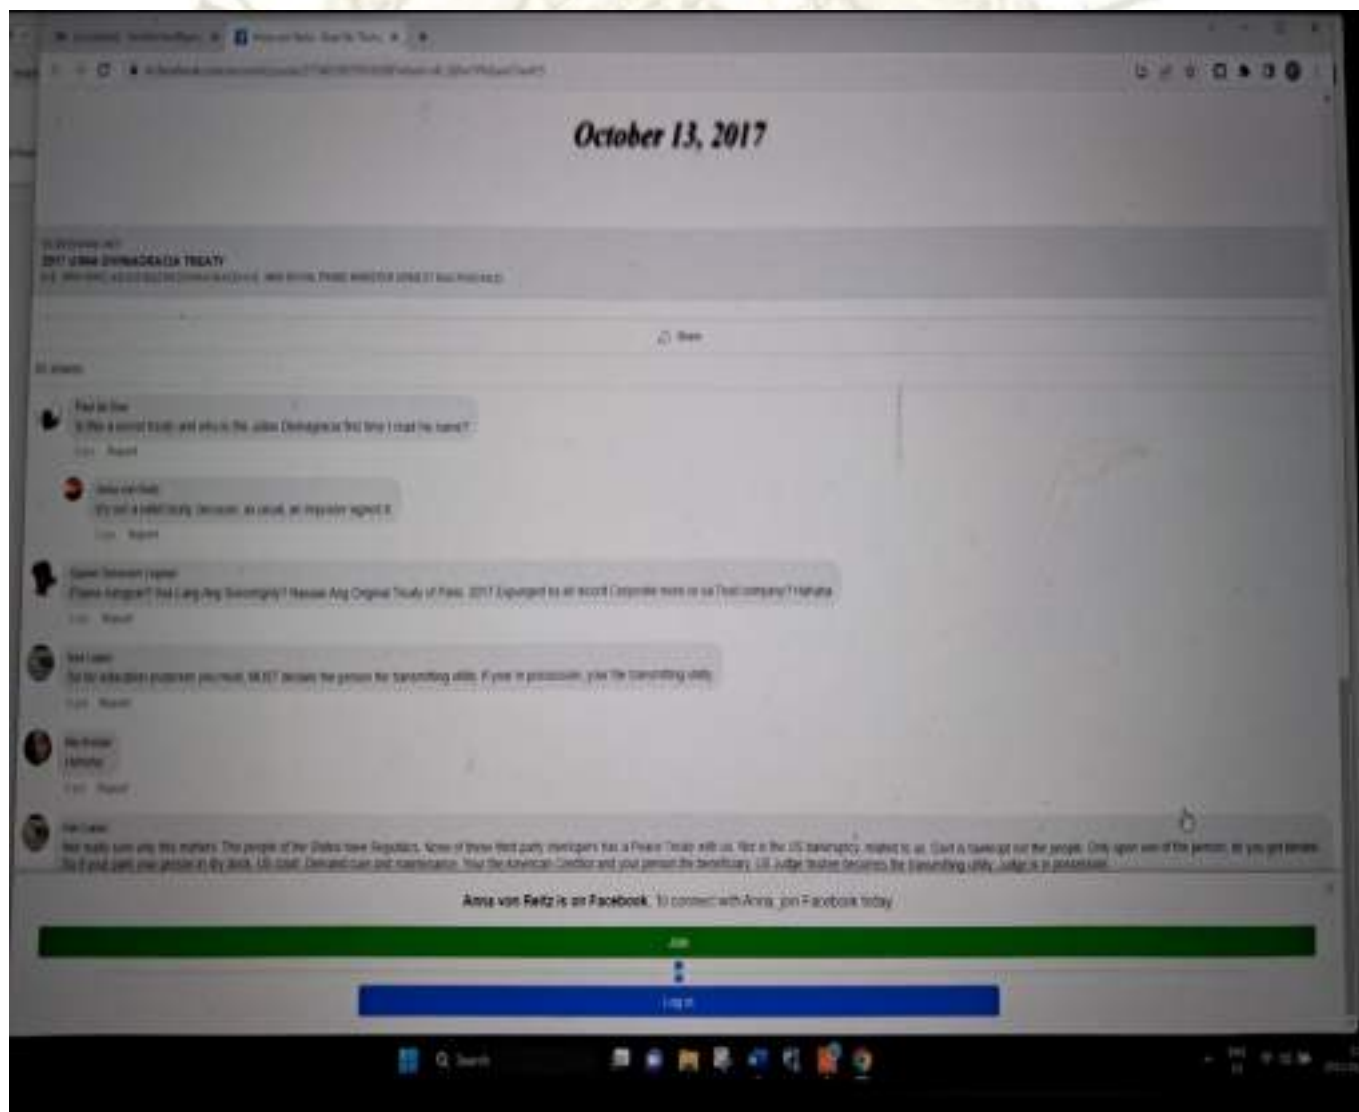

Whoever has promoted this substitution of a Third Party claiming to be Julius Divinagracia in order to replace an American State National and to dispose of his assets under conditions of fraud and deceit is an international criminal – and any such person are to be identified, bound over and charged.

No funds from Alpha Omega or White Spiritual Boy or any other Legacy Accounts can be addressed or released without consultation with and approval of both our government and the actual man, Julius Divinagracia, who stand upon our shores and who is owned all right, title and interest in his private property and heirship, and who is the only one on Earth empowered to make treaties and disbursements in his name.

It is your sworn duty and the duty of every member of the American Armed Forces including all those under contract of the U.S. -Military, to uphold and protect the persons of all Americans as per Article IV of The Constitution of the United States of America.

Julius Divinagracia is an American, and his Good Name and Identity has been stolen, subjected to international theft, abuse and false contracting processes.

We believe that your duty in this matter is clear and that the government of the Philippines has been, at the very least, derelict in its responsibilities as Trustees of American Assets. They have been given three days to get this Mess straighten out. The clock is ticking.

GLOBAL ASSET RECOVERY TREATY- 4

- (d) confiscate or register foreign confiscation orders;
- (e) share and repatriate assets.

3.1.2 The tracing and identification of assets, together with the gathering of some evidence is performed at the ICJ-ICC, International Police Commission (IPC) and INTERPOL law enforcement level in the first instance. Evidence may also be gathered formally through mutual legal assistance procedures. Freezing and confiscation of assets is achieved through mutual legal assistance procedures, or alternatively through domestic asset recovery procedures. The sharing and repatriation of assets is performed as policy function of the Secretary for Justice in accordance with domestic law and applicable international instruments.

3.1.3 Before making any request to trace and identify assets with individual banks, the overseas competent authority should ensure that principles of legality, necessity and proportionality are followed. Specifically, the requesting authority needs to satisfy the ICJ-ICC, IPC, USNA Special Forces and INTERPOL law enforcement agencies that there are valid reasons for making the request and supply the following minimum supporting information:

- (a) Confirmation that an official investigation is being undertaken by the competent authority against the named individuals, banks or financial corporate entities;
- (b) The nature of the allegations against the financial institutions including brief background facts and a brief description of the alleged offence(s) committed;

HRH King Julius Bazan Divinagracia, The Kingdom of Philippines Island, Alpha & Omega Divinagracia Family Trust, does share assets recovered pursuant to this Private Asset Recovery, Asset Protection & Accountability Treaty. The standard provision on sharing in USNA's bilateral agreements provides that proceeds recovered shall be retained by H.E. HRH Julius Bazan Divinagracia and the Kingdom of The Philippine Islands, unless otherwise agreed upon between the parties. This allows for a presumption that the assets will remain with Julius Bazan Divinagracia but provides for flexibility and sharing on a case by case basis.

H.E. HRH King Julius Bazan Divinagracia, The Kingdom of The Philippines Islands and Alpha & Omega Divinagracia Family Trust, has adopted an asset sharing policy which enables it to meet obligations under international instruments to share or repatriate assets in full where appropriate, including in cases which they are victims of fraud and in corruption cases therefore USNA shall be compensated.

ARTICLE VI EFFECTIVE COOPERATION IN ASSET RECOVERY

H.E. HRH Julius Bazan Divinagracia shall provide a clear summary of facts, of the matters under investigation and include all other required items in the request (Name of Bank, Address, Bank Name of Bank Officer, Bank Statements, Bank Ledgers & Bank Account Number). To assist in proof of evidential matters, and provide copies of relevant court orders and treaties.

H.E. HRH Julius Bazan Divinagracia shall send legal notices to banks holding Julius Bazan Divinagracia assets, gold, cash and financial instruments informing them of Ernest Rauthschild's authority, and once the legal notice is ready to be sent, it shall be sent directly from Julius Bazan Divinagracia central authority to the central authority of bank's location, namely the Mutual Legal Assistance Unit. It is also necessary to send the request through the consular or diplomatic route, and to ICJ-ICC, IPC, INTERPOL and Monetary Authority of that country. Requests may be sent in English or both official languages of that country.

This Treaty shall be perpetually.

The Sovereign Imperial Royal International Court of Justice, original Treaty Court, has original Royal Jurisdiction, General Jurisdiction, Universal Jurisdiction, Galactic Jurisdiction, Common Law Jurisdiction, Natural Law Jurisdiction and Ecclesiastical Jurisdiction, by and through, H.E. HRH King Julius Bazan Divinagracia, OTC-01-4, JDVG-LSM-666, Extreme Supreme Justice, Code Auqau Miuzaqau, Order No.: 81455, Coronation Infinite Royal Highness King Emperor Julius Bazan Divinagracia, Seven Star General Reqrzemet, Order No.: 43355; Divine Government of Lemuria Maharlika, Divine Pillar No.: 97, Order No.: 55345; Declaration & Coronation Order No.: 19558, His Kingdom Empire Niviru – Zumera, Kingdom & Empire, Galaxy No.: 97; Awarding Quintal – Monetary Bills of of Lemuria Divine Government, Dollar \$ - Monetary Bills of Lemoria & Divine Government, Order No.: 9393598; Book of Life Sinzohorom – Librorom – Matrazam, Royal Highness King Emperor, Order No.: 83565; and Seven Books Seven Seals.

Accordingly, the United States and United States of America, a.k.a., The United Colonies and United Kingdom of America, a foreign corporation, for the purpose of commerce only, and annexation under the *de jure* Sovereign Posterity Preamble Government of The United States of North America – The Republic of North America, which the United States, United States of America and colonial corporate member Statehoods, in the United Nations, comes under the Titleship/Ownership of U.S. Treasury Federal Identification 8216 and 8217.

Further, 8216 and 8217 is the owner of the Bank of International Settlements (BIS) in Basel, Switzerland. The Bank of International Settlements is the lending entity to all of the other Central Banks and the holder of all Sovereign debts, which means that 8216-17 is the underwriter of all the Central Banks and the global currency underwriter. The cash accounts superseded that of the bank's reserves. The act of issuing and guaranteeing of all the currencies is under the authority of 8216 and 8217, and legally under the its control. 8216- 17 is also the master trader and global currency underwriter. 8216-17 is the holder and owner of all the sovereign corporations, with full jurisdictional and judiciary rights, which means anything done without the approval of 8216 and 8217 is null and void, including Basel III, and may be considered as treason under the Edwardian Act of 1236.

In addition, all the historic treaties are under signatory authority and rights of 8216-17. The 1868 Treaty of Nice, under which the Treaty of Versailles and the Treaty of Lausanne were formulated, is under first signatory position of 8216-17 and any ratification are null and void based on the legal statute of authority. So the Treaty of Versailles, that controls the League of Nations is under 8216-17's first signatory right, and any modification of the treaties are under control of 8216-17 as well and require its authority and ratification, and any ratification without 8216-17 authority is null and void.

Any agreements made under the Counsel of Rome require 8216-17's authority as well, inclusive the rights of the Vatican, as governing structure, and currently all the states are functioning in illegal activities outside of 8216-17's authority and jurisdictional rights, for which they are creating crimes against humanity. The jurisdictional sovereign authority of the order of the protectorate requires ratification and authority of 8216-17 to be functional. The Privy Council has been actively utilizing authority they do not have. NATO has no jurisdictional authority of action prior to agreements to be reached with 8216-17, so any action without authority can be deemed as treason and crimes against humanity. The United Nations, an independent NGO, registered in California, in order to act with any legal capacity require the authority of 8216-17 and a ratified vote of the general assembly for its judiciary and rightful operational rights.

Simply put, in layman's term, the United States and United States of America, United Nations and Hague Netherlands Bureau International Criminal Court, each of them, comes under the Titleship/Ownership of H.E. HRH King Julius Bazan Divinagracia, i.e., Alpha and Omega Trust, US Trust, United Kingdom Trust, Northern Trust and Southern Trust (>8216-8217).

THEREFORE, IT IS HEREBY ORDER AND GRANTED, that Sir Chile Eboe-Osuji, Sir Antonio Geterres, Sir Miroslav Lajcak, collectively, given full power, authority and authorization, by and through, H.E. HRH King Julius Bazan Divinagracia, King of Kings, to record and issue an Executive Order, Judicial Order and Legislation, placing the United States and United States of America, irrevocably, under the jurisdiction of the Hague Netherlands Roman Statute International Criminal Court, and hereinafter, be subject to criminal prosecution for (a) The crime of genocide; (b) Crimes against humanity; (c) War crimes; and (d) The crime of aggression, effective immediately, however, it shall not be retroactive.

IT IS FURTHER HEREBY ORDER AND GRANTED, that Sir Chile Eboe-Osuji, Sir Antonio Geterres, Sir Miroslav Lajcak, collectively, given full power, authority and authorization, by and through, H.E. HRH King Julius Bazan Divinagracia, King of Kings, to immediately investigate police killings, disappearance and enslavement of children, especially concerning the coffee hue, Black, Brown and Coppertone complexion Aborigines of North America, and so-called African-Americans including permanent resident aliens, documented and undocumented persons, which has been allowed and continue to go unabated by the colonial political-partisan corporate Federal United States/United States of America, and its subsidiary Federal States, Federal Cities and Federal Counties [>Title 5, United States Code Services, § 1501(2)], thereof. Nothing shall prohibit neither parties from deploying United Nations Peacekeepers, throughout, the forty-eight contiguous states within North America.

Further, neither The United States of North America, The Republic of North America, members of the General Congress Assembly, nor H.E. HRH King Julius Bazan Divinagracia, nor his royal predecessors thereof, signed nor endorsed the colonial 1791 Federal United States Constitution, nor the colonial states constitutions, thereof. The World Financial System as originally designed and reported in The World Bank Group's Infinity Bank Statements is required to be implemented according to the principles in law;-

Sistem Keuangan Dunia sebagaimana awalnya dirancang dan dilaporkan dalam Pernyataan Infinity Bank Grup Bank Dunia harus dilaksanakan sesuai dengan prinsip-prinsip dalam hukum;-

- i) "Property Constructs of Financial Distribution Channels impacting all humanity individually, nationally- and internationally, **which is required serve all of humanity being created equal by the Creator with unalienable rights of life, liberty and pursuit of happiness that cannot be owned** by an individual, a person or a company(person) because, it is like the air being breathed for life that is common to all as a universal gift and is Res Communis (common to all)." Unless the unrestricted flow of money is present as the core principle of the world financial system (**one system**) as law ¹, no conservation of energy and habitat or peace can manifest, not only because it will restrict wastage, but because it is an indispensable and essential action, condition, or ingredient (Light/Guidance) without which abundance and peace could not be achieved (*condicio sine qua non*).

CW 345: Corruption at the World Bank with Karen Hudes Whistleblower and Former Attorney with the World Bank & Export Import Bank of the US.

"I went to the Senate Committee on Foreign Relations and told them that there was corruption at the World Bank, and Senator Lugar wrote three letters to the World Bank saying don't fire this lady. And they promptly fired me.

I'm trying very strenuously at all of those levels to get things straightened out, and I just went to the US Congress as I was obligated to do as a lawyer working for an organization that has bonds publicly traded.

President Obama was criticizing Edward Snowden for jumping the gun and not giving all of the institutions the chance to do their job.

I was working on a banking sector loan, the second largest bank in the Philippines. The borrower, one of the borrowers, was Philippine National Airlines, which was in default on its loans. And the man who owned Philippine National Airlines bought stock from the employees in Philippine National Bank, and then the conditions of the loan couldn't be met, and I went to the man who was in charge of that project in the Philippines, and I told him that he had to write a letter to the government, telling the government that the World Bank could not disperse the rest of the loan. And instead he had me reassigned. Now, I had been working together with the Chief Justice of the Philippines at the time, Hilario Davide. And I stayed in touch with Hilario Davide through the thick and thin of this. What happened on that loan was, we ended up cancelling the loan for \$200 million, and then there was Japanese financing, that got cancelled for \$200 million. And the people who had their money on deposit in Philippine National Bank had a run on the bank, and so Philippine Deposit Insurance Corporation had to bail out that bank for \$500 million.

So that was \$900 million worth of problem loans, and at the end of a project, the World Bank writes an evaluation, and the evaluation said that we could not have foreseen that this was going to happen. I went to that group and I said, you're lying to the board. You can't do that. You have to correct that. And they didn't. And they tried to fire me. Jim Wolfensohn, who was the president of the World Bank at the time, and we said there's corruption in the Philippines, and you're lying to the board. And Jim Wolfensohn said, oh don't worry, I'll fix that. And Jim Wolfensohn's idea of fixing that was to tell my boss that I had been up there to complain about him.

There is a corrupt group that's very, very powerful. And they thought that they were so powerful that they could act with impunity, and one of the things that that group has

done—and I know who they are now. This group is responsible for corrupting the United States government. And they're the ones that own all of the major financial institutions. They own the Federal Reserve board. The Rothschilds—That group is there, but it's more than that. Because this syndicate predates the Rothschilds. There was a corrupt group **in the United Kingdom that teamed up with the Jesuits and the Vatican before the Rockefellers ever came on the scene. This group has been corrupting everybody since 1200.**

And one of the really good things about the World Bank is that it's a knowledge bank, and there's a very accurate political analysis tool that was actually developed in the defense industry, and this political scientist, Jacek Kugler, came to the World Bank in 2004, and I modelled rule of law with him, and it—this model has been predicting, ever since I testified in the UK Parliament and the European Parliament, that we were going to have rule of law. That all of the people in the world were going to work together to eradicate this corruption, and that's exactly what we've done, and that's exactly what's happened.

The Jesuits would be where this started. But there's the Knights from Malta, and there's a whole—it's a conglomerate. It's not any one place. It's not any one place. But they're been teaming up to do this. World Bank, IMF—they're called the Bretton Woods Institutions, there's the agenda that was above the table, and then there's the agenda that was hidden. **But, what was above the table and what is there and what will help us going forward, is the fact that the World Bank is—it's a cooperative. At the time it was set up by 44 countries, but it's now grown to be 188 of them. Originally there were board of 12 executive directors. That number has grown to 25 now. But the 7 biggest economies each get their own executive director: the United States, Russia, China, the United Kingdom, France, Germany, Saudi Arabia, and then the rest of the countries get grouped in what they call constituencies, and so what you have is you have a forum where you can actually work out what the problems are in a very—in a deliberate way. It's convening the parties before a war. The main reason that the World Bank was set up, and the IMF was set up, was to prevent a future war, because a lot of wars happen because of economic imbalances.**

But if also this corruption would be stamped out, that the United States and Europe would continue to govern in what they call a post predicted that if the corruption continued, there would be a terrible currency war, and that the Asian economies, which are growing and gaining in strength, that there would be a currency war, and that those economies would come up very fast. And so it's in the United States' interest—security interest—to fight this corruption. I was also interviewed for the job of General Counsel, and then the executive search firm asked me, why are the General Counsels all getting fired left and right? And I said, it's a very easy answer. It's because there's corruption, and the

board is very angry, but the corruption is not being resolved, **and it's the legal department whose job it is, working with the board, to stamp out this corruption.** I've been testifying in parliament, UK Parliament, and the European Parliament, and you know, **the corrupt people have bought up all the media, and refuse to tell the people what's happened!**

It's 188 Ministers of Finance, and right now, where the matter stands, is, I have now written to the people who are in charge of putting items on the agenda of the General Assembly, and I've told them to put this item on the General Assembly, the fact that this corruption is finished. I've worked with all of the different committees—the Banking Committee, the Committee on Appropriations, I've worked with the House—there isn't hardly a representative in US Congress that doesn't, that has not been involved one way or another.

I've been helped all along the way by any number of people, and don't forget, I'm just one of a group. So there was no way by doing anything to me that the problem was going to go away. This group was going to continue.

This goes back to Lincoln! This goes back to so many of the early founders of our country! **This business about central banks—you know, a lot of people like to make it very, very complicated, but it really is not all that complicated.** You can have real money, like coins, like silver and gold, or you can have paper money. And it was always the intention of the founders of this country that we would have real money, and it took a lot of effort on the part of these central bankers to get us off track. **And it's very easy to get back on track.** For example, North Dakota has its own state bank. Virginia has recognized silver and gold as legal tender, and any number of other states are about to do that. There are any number of organizations that are now issuing currency that's backed by commodities. It doesn't have to be gold. It's a very easy thing to move away from this paper currency. And you don't even have to abolish the paper currency. You just give people a choice. And who would rather be paid with paper or with real currency?

You've got the BRICS countries—Brazil, Russia, India, China, and South Africa—that have moved away from the fiat currencies, and so, the world is now not stuck to the dollar anymore, and so, things are going to move very, very fast, and this powerful group is powerless to prevent it. They're vulnerable because they have done so many terrible things, and there's a cover up, and there are enough people that know about what they've done, and the cover up. And so, the fact that they have bought all of the media is not going to protect them. Because more than 70% of the American public has learned to distrust their captive media. They've been breaking the law, and they're not going to continue to break the law. That's all. They're finished.

I went to the Defense Department when I wrote to the General Assembly. And I—because what's happened with Germany, Germany asked for its gold back from the Federal Reserve, and the Federal Reserve said no! That's an act of war. Now, what Germany has done in the last couple of days, is they've said they are not going to share intelligence information anymore with the United States. So, the army is not supporting the Federal Reserve, the army is supporting rule of law.

Every time the media starts trying to incite violence, either through false flags, or crazy false reporting, I've come back to this group and I've said, you had better correct the record and stop inciting violence, because we do not want violence. There's no reason for violence. We just simply follow the rules. We simply tell our citizens what's going on. **It's time for us to get our story straight.** Is the army backing rule of law, or is the army ripping off the American people?

The Council on Foreign Relations is the hinge between the United States and the United Kingdom. A lot of people think that with the Revolutionary War that the United States wanted independence. They don't know about the flow of funds, where there were reparations paid, and that the money that people are paying on their taxes are actually going back to the Vatican. It's a rude awakening. But it happens, unfortunately, not to be crazy. And the Council on Foreign Relations is the group—it's almost like the Masons, or any of these other secret societies, where there are layers of secrecy, and the people at the very top get to know the whole story, and the people down at the bottom are sort of hangers on and get to bask in the glory of the people. These secret societies are like cockroaches; they have nowhere to go and hide. We know what they're doing. A lot of people know what they're doing. And we are holding them to account, and they have got to explain it to everybody, what it is that they thought they were doing. Are they going to make it their business to be citizens? If they are, then this is going to be a wonderful story, because what's going to happen is, we are simply, seamlessly going to drive out that lousy money which is making everybody miserable, with good money. And we can do it very simply and very expeditiously. And then we can go on about our business. We're going to keep a lot of the money that we have been sending off to the Vatican. We've had this wacky accounting, where what we do—remember what happened with the post office where we were prefunding all of the pensions in the post office, and we were issuing bonds to try to finance those pensions? **That's for the interest of the bankers.** We don't have to do that. We can keep that money in our community. We can use it, and as an economist, what happens when you keep money in your own community, with jobs in your community, is that it has a multiplier effect. We are going to keep our blood, and we're going to be stronger.

But, **one of the things that I think we're going to have to start really learning about, is who are our friends, and who are our enemies? And what is our enemy? Because, you know, we've been misled deliberately. We've been kept apart, we've been, you know, democrats/republicans, or Catholics/Protestants, and this is all to manipulate us.** And it's the same thing when you talk about these countries. Are they our enemies? I can tell you: if these countries were our enemies, we would have been left in the lurch. It's only because these countries want us to learn about these mistakes and correct them that we have a chance. We as a country, and the people, the American people didn't know about it, **but we as a country have gone to the leaders of other countries that were trying to protect their people and keep their economies growing, and we have murdered their leaders so that we could plunder their countries.** Because you can say, well, we didn't know about it, it wasn't our fault. **You have to take responsibility for being a citizen and for being informed.** But what I do know is that **this corruption and this secret society-dominated elite approach to economics is gone.** It's dead. And we are now in a totally different scenario; **it's going to be up to us if we want to have our children learn real skills so that they can help create an economy that's vibrant and growing.** We're going to keep a lot of the money that went siphoned off outside our country, because of this corruption.

We have got to overcome the fact that our media has been bought by these crooks. We've got to learn how to share information, learn from the information, and act to hold our governments accountable. And when I say governments, I mean your local sheriff. I mean your local counties. I am talking about a whole group of whistle-blowers, and I'm talking about rule of law in the entire world. And is the Department of Defense standing for the security interest of this country, or are they standing for corruption? That's all.

"Sukarno, also spelled Soekarno, (born June 6, 1901, Surabaya [now Surabaya], Java, Dutch East Indies—died June 21, 1970, Jakarta, Indonesia), leader of the Indonesian independence movement and Indonesia's first president (1949–66), who suppressed the country's original parliamentary system in favour of an authoritarian "Guided Democracy" and who attempted to balance the Communists against the army leaders. He was deposed in 1966 by the army under Suharto."

"JAKARTA, Indonesia, Sunday, June 21 — Former President Sukarno of Indonesia died early today at Jakarta's Central Army Hospital, an official medical bulletin said. He was 69 years old. three-sentence communiqués said he had fallen into a coma at 3:50 A.M. local time and died at 7 A.M. He was admitted to the hospital Tuesday suffering from high blood pressure and a kidney ailment.

A statesman with a flair for the dramatic, Sukarno, who yielded power as President in March of 1966, was one of the first and most outspoken advocates of a third bloc of uncommitted nations, a concept he first articulated in 1955 at the Bandung conference of African and Asian nations. A powerful speaker, Sukarno wielded almost absolute power in Indonesia for 20 years. **He escaped five assassination attempts** but was toppled from power by the army after an unsuccessful Communist coup in 1965."

Even in Death, Sukarno Wins Tribute from Indonesians: By Paul Zach, June 22, 1979

"Death has not diminished the legendary ability of Indonesia's late President Sukarno to attract huge crowds. On the eighth anniversary of the disgraced leader's death, the Indonesian radio estimated a million people turned out today in the obscure East Java town of Blitar to witness the dedication of a new mausoleum over Sukarno's grave. **The ceremony took place against a background of mounting interest here in the controversial political legacy of the flamboyant man popularly known as "Bung [Brother] Karno."** Window sized portraits of Sukarno are sold on street corners alongside posters of rock stars. Many of his leftist writings, still banned by the current government are secretly circulated.

Sukarno's speeches, which usually lured massive audiences, parked the rebellion against Dutch colonial rule that led to independence in 1945, and he became the first president of the Republic of Indonesia, now the world's fifth most populous nation. Political observers speculated that Suharto, **once a bitter foe of Sukarno**,⁶¹ is now cautiously embracing him in an attempt to exploit lingering devotion to the late president and garner support for his own policies."

5.01 In 1945 Asia and the West “Elected” President Sukarno

On August 17, 1945, President Sukarno came to be known as the only true “elected” monetary controller (M1) of behalf of the depositors to monitor and implement the Global Accounts for redevelopment purposes under United Nations Approval No. MISA 81704 “Operation Heavy Freedom.”

President Kennedy (USA) and President Sukarno M1 (Indonesia) — photo taken at Andrews Air Force Base on Monday 24th April, 1961.

Sukarno’s election as M1 was because much of the world’s gold had been delivered to Indonesia and the Philippines. Canada, Australia, Great Britain, India and other British Colonies sent their gold to the so called “impregnable Singapore.”

The Japanese, as per the original arrangements agreed to by Hirohito in the “1921 Pact Between Nations,” delivered much of this gold to Indonesia (then a Dutch Colony) and to Philippines (then a US Colony) into secret bunkers that had been mostly constructed by the Japanese between 1924 and 1945. This is why the Allied troops in Malaya had no air cover or sufficient supplies that would have allowed them to resist the Japanese.

Singapore had to fall so that most of the global wealth could be “lost” into a secret system which made the Gold Standard redundant and fiat currencies a reality.

This gold was documented into accounts through the Swiss Commercial Bank Union, Bank of Switzerland, placed under protection of the Swiss Attorney General, registered through the Swiss National Bank into the Bank for International Settlements’ International Collateral Combined accounts. Then from within the BIS, the accounts were blocked to form the Institutional Parent Registration Accounts of the Federal Reserve System. <http://neilkeenan.com/history-events-timeline/>

With the help of the United States government and the CIA, closely supported by the Australian and British administrations, a military coup was staged in Indonesia (See: How the CIA Toppled a Government) under General Suharto on October 1, 1965. As a result, there was a massacre, by most estimates, **up to one million Indonesia Sukarno supporters**, workers, peasants, students and political activists, as well as people of ethnic Chinese origin, and tens of thousands more were detained in prisons and concentration camps, without any visible resistance.

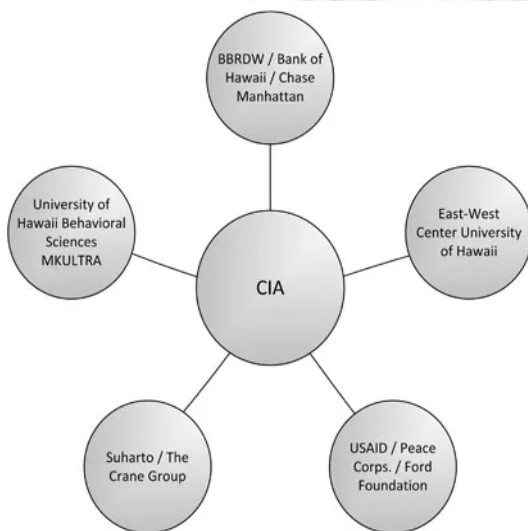

General Suharto (left)

During this time with Sukarno gradually being placed under house arrest, and only being allowed to travel from Bogor (his Presidential Palace) to Jakarta, gradually General Suharto approached the remaining **Generals who supported President Sukarno and were given an offer they could not refuse**. The daughter of Sukarno, Megawati Soekarnoputri, spoke on Indonesian television and stated that after the rebellious revolution she thought her father's support group would stand by him, but the generals did nothing to support neither her father nor her family. This move by Suharto eliminated any opposition to Sukarno's house arrest.

Suharto with Nixon

By January 1967, they had removed all significant support for Sukarno within the armed forces. On 27 March 1968, General Suharto became President of Indonesia. He was not elected by the people but appointed by the Parliament who happened to be hand-picked by the General himself, for the first of his five-year terms as President.

This Coup of 1965, organized by the Agency (CIA) was all about Kennedy and Sukarno's deal working together to destroy the CIA agency along with the Federal Reserve Bank (FRB). This coup was payback in spades. They classified it as the Rebellious Revolution and blamed the Communists, but in fact it was a Western-provoked revolution as often happens in any part of the world that does not listen to what is termed the "Super Powers."

Documents show that throughout late 1965 and early 1966, the US and Australian officials approvingly reported (propaganda) to their respective governments that army units and Muslim groups were working hand-in-hand to shoot, hack or club to death at least 1,500 Sukarno supporters per day, sometimes parading their heads on sticks.

This enthusiasm in the Western embassies for the bloodbath reflected deep strategic and political interests. In the decade before the coup, the major powers had come into increasing conflict with the unstable nationalist regime of Indonesian President Sukarno. In late 1957 and again in 1964-65 he had

barely contained mass movements of workers and peasants, whose strikes and occupations threatened first Dutch, and then US and British banks, companies and plantations. Sukarno died June 1970 under house arrest. Prince Bernhard and Queen Juliana, hosting Indonesian President Suharto and First Lady Sit Hartinah at Soestdijk Palace during a state visit on 3 September 1970. The revenge of the West/USA Corporation was very successful, vicious and swept the entire nation and is still felt

to this day by Indonesians. Today, major U.S. enterprises are plundering the raw material wealth of Indonesia.

PREFACE

(Historical Origin of Filipino People's Treasury)

The Origin of these Huge Funds were came from King Bernardo Carpio, during the early times for the Philippine Islands where some natives from Malaysia, Indonesia, Mongolia, China, Arab, India, Japan, Thailand, Vietnam and other Asian Natives including some natives from Eastern Russia, it is but uncommon that the Philippine Islands as some legends spoken that it is the Land of Incant Spirits or Land of Spiritual Fairies whereas according to the myth which the Philippine Islands was a Biblical but True Story that some current natives in the Islands were the descendants of the Spiritual Tribes of Israel. And called the new landmark of Holy Promise Land, but the story was enchanted and full of spiritual imagination and that of story proceeds which we given the full context of the story that the Holy Land have full Spiritual Power and Glorious Blessings according to the divine promise, the context of this revelation of the multiple Assets of the People of the Philippine Islands were Originated from King Bernardo Carpio who is the Original Holder of White Mongolian Account and it was revealed when C3 - AM - 01 and thru the context of previous rendered ad hoc decisions of the International Court of Justice that the Mongolian Raiders were signed into an old document stating, as described by the Old Mongolian Text Authenticator, that the Mongolian Adventurers must be paid the Islands two worth or weighed of taken one worth or weighed of gold they taken in the Philippine Islands and it started a thousand years ago which those worthy treasures were expanded and preserved, as hidden, into more lands where the Mongolian occupied and it was admitted by some Ancient European Leaders when they recovered some of those Treasures in Eastern Europe (which those documents were kept by C3 - AM - 01) and it classified by some Mongolian Warriors under captive by the European Society and they used some of these recoveries to hunt more lands outside Europe that served thereof as European Competition of Land Occupation. And there and then Europeans successfully landed to all Lands worldwide until the Spaniards landed in the Islands and they took the Islands as one of the discoveries of Spaniards and they tried to occupy the lands without any permission from the local natives there and they successfully claimed that lands using a match old print of map as similarly possessed by C3 - AM - 01 with appearance of the Authentic Signature of King Bernardo Carpio, Spanish King Philip VI, US Pres. William McKinley, Dr. Jose P. Rizal, US Pres. Gerald Ford, US Sec. Henry Kissinger and Pres. Ferdinand Marcos, which appeared thereafter thru Federal Agreement dated September 10, 1976 that Marcos was paid Philippine Islands sometime on year 1976 worth US\$ 20, 000, 000, 000 or 10, 000 metric tons of gold as comparable to precious metal value and Spain successfully obtained the Islands by using that Carpio's Treasures and there and there, Spain occupied the Islands for more than 300 years until Dr. Jose Rizal came and reconstituted those wealth in the name of the People of the Philippine Islands under White Vatican Account and the death of Dr. Rizal brought Spain under trouble and end of illegal occupation and with the pretending aid of the American Authorities, that caused thereof to end their conflict and made a Treaty and on December 10, 1898 the Treaty of Paris were ratified by and between the United States of America and Spain and paid Spain the sum of US\$ 20, 000, 000 of total land area covering the Islands of Luzon to the Islands of Sabah with a constant measurement of 452, 000 sq. km. under its previous name: Titulo De Propriedad Numero 4136 and after the ratification of said Treaty, the US Authorities occupied the Islands under that Treaty without any confirmation if the People of the Islands will be permitted by them to occupy the land and thru that Titulo that possesses by Dr. Rizal, it was been sold by Gen. Emilio Aguinaldo. The entrance of year 1900 was so crucial for mankind when there an occurrence of World War 1 and 2 which the host of WW I forcibly abated and debated with other countries in Europe about the equal sharing of benefits to be collected from White Mongolian and Vatican Account and thereafter the American Authorities forcibly left the islands during World War 2 including the Original Documents of the Original Certificate of Title no. 779 under Survey Plan no. II - 4509 and thereafter the American Authorities reoccupy the Island without that documents that already addressed by UN General Assembly Pres. Carlos P. Romulo that the United States of America already left the Islands including those Original Documented Land Title and Survey Plan and the Assembly agreed not to practice their greed to reoccupy the Islands but agreed as stated that the Islands will be under supervision of the US Authorities and they will be given the Islands an Independence if they will be bought the Islands in the sum of US\$ 100, 000, 000 within 50 years from time since the United Nation Organization was established. And before the Axis Powers fall into the Allied Powers, they entered Multiple Assets and Properties of the Axis Powers which distinguished by the Axis Powers as both King Carpio and Dr. Rizal Assets and Properties and was admitted by Pres. Karl Donitz that those loots were the belong to the Philippine Islands cause he admitted that both Adolf Hitler (son of Ignacio Enrique Coronado) and Tomoyuki Yamashita (son of Judge Alfonso Pijao) were a half Filipino Natives and they wanted their fathers to be satisfied with their loots not intended for them which Ignacio Enrique Coronado and acclaimed as Dr. Jose Rizal and Judge Alfonso Pijao was acclaimed as Bernardo Carpio and those Treasures were set into more controversies among those war ravaged and non war ravaged countries that caused for King George VI to establish the World Court to promulgate Judgment over said issue under ICJ case no. 1425 and it reconsidered to reaffirm this Judgment sometime on year 1975 and Pres. Ferdinand Edralin Marcos filed and time deposited, under White Eagle Account and reinserted under this Account the White Mongolian and Vatican Account, some compensation assistance from Germany, Italy and Japan and some of these loots to some Banks in Europe both under Certificate of Deposits that to be matured from year 2000 to beyond which caused for the treasure pleaders to concentrate or point their claims over said deposits that sponsored by multiple treasures identified as loot of the Axis Powers which Pres. Marcos respond these inter-pleadings that those treasures were unexpectedly hide by the Axis Powers and unexpectedly recovered during his term of Office and by virtue of the International Court rulings those were belongs to the Treasury and Benefit of the People of the Philippine Islands. And after Marcos deposed sometime on year 1986, the Committee of 300 under Queen Elizabeth II was designated as Trustee over said Deposits and the Committee were used these Assets and Properties under Global Agreement held by C3 - AM - 01 which we hereinto affirmed the same. And multiple pleaders and claimers were appeared before these Authorities to shift that wealth to them but there's a Spiritual Warning over said wealth that those wealth will never be set for personal or self-vested interest and therefore Denied all said Pleaders or Interest Parties for said wealth and this was solely prevailed by C3 - AM - 01 with reconfirmed as recognized Identity as Sole Authorized Signatory for these wealth and Sole Authorized Representative for Certified Documents of Pres. Marcos and by virtue of the International Rulings over these cases, that these Matured Funds was totally Cleared from any kind of Criminal Offenses and subject to be claimed by the People of the Philippine Islands only thru ASBLP Group of Companies and Bank of Asia, reconfirmed International Registry in the Committee of 300 as represented by C3 - AM - 01 or HM, King Anthony Santiago Martin residing in process given below and the People of the Philippine Islands only thru ASBLP Group of Companies and Bank of Asia, represented by C3 - AM - 01 or HM, King Anthony Santiago Martin was Solely Claimed, as Reconfirmed, the following Provenances given herein below.

Huling Kalooan at Tipan

Para sa lahat ng mga kinauukulan,

Akong si Ferdinand Edralin Marcos isang Filipino na may Legal na Edad, Kasal kay Imelda Romualdez Marcos at Pangulo ng Pilipinas sa kapangyarihang ipinagkaloob sa akin bilang Pangulo ng Pilipinas at bilang dating Tagapangasiwa, Tagapag-ingat, Tagapamahala at Tagapirma ng Dakilang Manglilikhda na may-ari ng buhay at tinatangkilik ng mundo sa sagrado niyang Kayamanang Materyal at Espirituwal ay buong puso at kaisipang maghahabilin, ganap na tumalikod at magsalin ng aking taglay na buong karapatan at kapangyarihan, nang walang pag-aalinlangan, paghahabol at maliwan sa aking kapangyarihan at karapatan sa kayamanang espirituwal at material na ipinagkaloob ng Dios na Lumikha, sa aking itinalaga at pinagkatiwalaan bilang Tagapangasiwa, Tagapag-ingat, Tagapamahala at Tagapirma.

Sapagkat, ang Pilipinas ay isang pinakamalapangyarihan at pinakamayamang bansa sa mundo dahil sa taglay nito ang magandang kaugalian at kultura ng mamamayan, magandang kagubatan, mga katangi-tanging kabundukan at mga likas na yaman at binubuo ito ng isang libo isang daen na isla sa buong kapuluan, ang mga mamamayan sa Pilipinas ay kinikilala bilang Filipino ng mundo ay may katangian taglay na masunurin sa mga magulang at batas, disiplinado, mayaman sa pakikisama, may kalinisan ang puso at kaisipan, magalang, matalino at higit sa lahat ang mga Filipino ay may takot sa Banal at Buhay na Dios bukod pa sa magandang katangiang taglay sa katauhan ng mga Filipino sila rin ay may Legal na Karapatan at Kapangyarihan sa bansang Pilipinas at sa napakalaking Kayamanang Materyal at Espirituwal na nakatago sa buong mundo na siya dating ipinagkatiwala at itinalaga ng Diyos sa akin alinsunod sa banal na kalooan ng walang hanggan Dios na Buhay at Hari ng Mundo at ng Kalangitan at alinsunod sa itinatadhana ng batas, akong lumagda ay buong pusong nagpasinaya, naglihim at nag-ingat na magbuo ng kasulatang ito at ng mga mahiwagang dokumento na may mababaw na pagkakasalin sa Ingles at itong nakasalin sa tagalog na ipinagkaloob sa aking itinalaga at itinalagang Tagapangasiwa, Tagapag-ingat, Tagapangasiwa at Tagapirma magmula pa noong Agosto 25, 1983 hanggang sa araw na ito nang walang anumang mga saksi, notaryo publiko at mga opisyal na selyo ng aking opisina at nang walang nakakaalam sa sinumang aking mga itinalagang at opisyal at empleyado ng aking pamahalaan at maging sinumang mga miyembro ng aking pamilya at ang kanilang mga katiwala maliban lamang sa akin na nag-iisa at sinadya kong isulat ang mga mahiwaga at mababaw na mga kasulatan sa wikang Ingles at Tagalog upang ang lahat ng mga mataas, gitna at mababang klaseng mamamayan o lipunan sa Pilipinas at sa mundo ay madaling maunawaan ng mga nilalaman na nakasulat sa lahat ng aking mga dokumento na mailalahad sa hinaharap at ang anyo ng mga kasulatang Ingles na ipinagkaloob ko sa aking itinalagang Katiwala, Tagapamahala at Tagapirma ay nagtataglay ng mababaw na pagkakasalin sa Ingles ngunit nagtataglay din ito ng espirituwal at materyal na nilalaman. Ang lahat ng mga taong babasa sa nilalaman ng kasulatang ito ay pinag-ingat na ito ay hindi maaaring usigin, tulgisain, peratangang huwad na kasulatan at iba pang mga negatibong aspeto laban sa mga nilalaman ng mga kasulatang ito at ng mahiwagang mga dokumento na ang nilalaman ay mababaw na pagkakasalin sa wikang Ingles at ang sinumang mag-uusig, magbabalewala, magpapatatag, hindi maniniwala at iba pang uri ng negatibong aspeto ng kaisipan at kalooan ay walang pagsalang mapaparusahan ayon sa itinakda ng batas ng Dios ng Kalangitan at ng Pilipinas, kahit na magbago pa ang Saligang Batas na itinakda ng mamamayan, makatotohanan at mangyayaring maparusahan ayon sa itinakdang kalooan ng Dios na nasa Kalangitan laban sa ganitong tao katulad ng malalang karamdaman, pagkakasangkot sa gawing Kriminal at Biglaan at Malagim na Kamatayan sapagkat aking napatunayan sa mga karanasang aking napagdaanan hanggang sa aking pag-upo at maaaring pagpapatalsik sa akin bilang Pangulo ng Pilipinas na ang Sagradong Kayamanan ay nagtataglay ng Mahiwaga, Banal at Makapangyarihang Aspetong Espirituwal at aking sinadya na paghaluin ang Ingles at Tagalog sa aking inihandang Huling Kasulatan at Kalooan.

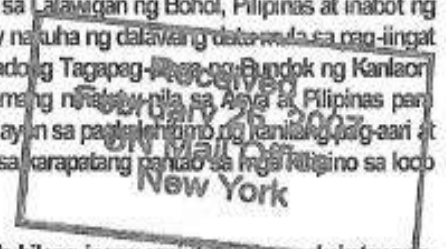

Sapagkat, ang pinagmulan ng Banal na Kayamanang Espirituwal at Materyal na nasa pag-ingat ng lumagda ay nagsimula noong mahigit sa isang libong taon na ang nakakaraan, na sadyang itinago sa kasaysayan at itinuring na isang alamat lamang, sa pamamagitan ni Haring Bernardo Carpio, ang aking espirituwal na kapatid, na espirituwal sa pagkakatawag-tao ni Samson, Noe at San Pedro at nabibilang siya sa Maharlikang Pamilyang Portuges, sa katanayan, ang unang taga Europa na tumuklas sa Pilipinas ay ang bansang Portugal at mismong pamilya ni Haring Carpio malapos tumakas ang kanilang angkan noong panahong nilulusob ang Europa ng mga Mananakop na mga Muslim at siya ay tinulungan ni Dali Dalikduna, na nakilala bilang si Maria Banahaw, isang maalamat na Reynang Diwata at Sagradong Tagapag-alaga ng Bundok ng Banahaw sa Probinsya ng Quezon, Pilipinas at sila ang tunay na tagapangasiwa ng White Mongolian at White Sunflower Account. Ang mga kapitbahay na Asyano ay lumipat sa Pilipinas at sila ay pinamahalaan ni Haring Carpio na may taglay na mapaghimla at pambihirang lakas ayon sa pagkakatalaga sa kanya ng Dios na Lumikha, ang mga Asyanong nakatira sa Hilagang Bahagi ng Mundo tulad ng China, Korea, Japan at Mongolia ay dumating at tumira rin sa Pilipinas para sa

kalakalan. Dahil sa ganap at hindi sinasadya na pagtuklas, hindi inilahad ng ilang mga mananaliksik at mananaysay na ang Pilipinas ang hindi inaasahang imbakan ng mga nakaw na yaman sa pamamagitan ng mga pirata. Dumating dito ang mga Khamag na taga Mongolia kasama na ang kanilang mga kaalyado para tuklasin ang Pilipinas at dahil sa kaaya-ayang kagandahan ng Pilipinas, ng mga lilas nitong yaman at ni Mariang Banahaw at mga kapatid nitong mga diwata na sina Mariang Makiling, Sinukuan at Cristina lumikha sila ng isang Kasunduan para kay Haring Carpio na hiniling nilang makasama bilang kanilang asawa ang apat na magkakapatid na diwata na nasa anyo ng katawang lupa, ayon ito sa sinaunang titik ng Pilipinas, nguni't tumanggi ang kapatid kong si Bernardo Carpio at makukuha lamang nila ang mga diwata kung si Carpio mismo ang gagawa ng Kasunduan at sumang-ayon nga ang mga dayuhan dahil sa laki ng pagnanasa nilang mga Dayuhan sa magkakapatid na diwata'y napang-sang-ayon nga itong mga Dayuhan na hindi alam na ang nilalaman ng binagong Kasunduan ay ang bawat isang bagay na inilabas nila mula sa Pilipinas ay babayaran nila ito nang doble sa bawat araw sa Pilipinas at nakasaad din doon na ang lahat ng matutungan nilang lupain ay madadamay sa kanilang bayarin at bilang panunubok ng akling kapatid na Carpio sa kanilang katapatan sa Kasunduan ay pinabalik nila muna ang mga ito sa bansa nila upang mapauwi ang naturang Kasunduan kasama ang ilang toneladang mahahalagang bato at bakal sa kanilang pag-lisan nguni't nang matutunan nila ang Kasunduan ay pinawelang-halaga nila ito at sinimulang lusubin ang Pilipinas para sakupin nguni't dahil sa taglay na mahiwagang lakas ni Carpio ay hindi nila ito magupo bagaman si Carpio ay nabuhay sa edad na mahigit na dalawang daang taong gulang kaya nagpasugo pa sila ng mas maraming pwersa mula sa Hilaga nguni't napigilan sila nang yumanig ang lupa dahil sa pag-uumpugan ng bato sa Bundok ng Montalban, Probinsiya ng Rizal, Pilipinas nagsimula ang panginiging ng lupa at nagsitakas ang mga mananakop na mga dayuhan mula sa Pilipinas nguni't sa kasamaang palad ay nalubog ang kanilang barko dahil sa lakas ng pagkakayanig ng lupa at naapektuhan ang mga alon sa dagat at sinalpok sila at nilubog, isinakripsyo ni Carpio ang kanyang sarili bilang isa na namang alay at namagitan siya sa nag-uumpugang bato sa naturang ligalig na bundok at noon pa ito babala sa panunuri ni Maltera Tikila o mas kilala bilang si Maria Sinukuan, isang mealarnat na Reynang Diwata at Sagradong Tagapag-alaga ng Bundok ng Sinukuan sa Probinsiya ng Pampanga, Pilipinas at ni Kaara Maraka o mas kilala bilang si Mariang Makiling, isang mealarnat na Reynang Diwata at Sagradong Tagapag-alaga ng Bundok ng Makiling sa Probinsiya ng Laguna, Pilipinas na ang mga dayuhan ay mananakop ng maraming kaharian sa mundo at dahil sa kanyang pagkakaliho sa mga dayuhan ay mayayanig ang lupa at siya mismo ang magiging isang malihanag na sakripsyo upang tumahimik ang lupain ng Pilipinas sa madalas nitong pagyanig at ang imperyo ng Mongolia ay lumusob at nanakop sa halos tatlong-ikaapat ng kontinente ng mundo at nag-iven sila sa bawat bansang kanilang sinakop ng pagkawasak at mga kasamaan habang hindi nila namamalayan ang kanilang naging kasunduan ni Carpio na nakasaad doon na madadamay din ang lahat o anumang mga bansang mapupuntahan nila sa pagbabayad nila sa kanilang utang sa Pilipinas na doble din mula sa simula ng kanilang mga pea ay lumapag sa mga banyagang lupa at pagkatapos ng Ikalawang Digmaang Pandaigdig, nakuha ng Soviet Union Socialist Republic (USSR) ang mga Mongolian Treasures kasama ang mga detalye nitong nakadokumento na may kinalaman sa kanilang Kasunduan ng mga taga-Mongolia kay Haring Carpio. Ang dokumentadong kasunduan na ginawa ni Bernardo Carpio at ng kanyang mga kaharap na dayuhan ukol sa naunang bersyon ng Sagradong Kayamanan ay nakatago na sa World Trade Center, New York, USA na nakuha ko kay Pangkalahatang Kalihim ng Unyong Soviet Hen. Leonid I. Brezhnev noong panahon ng aming pagbisita sa USSR.

Sapagkat, matapos isakripsiyon ni Haring Bernardo Carpio ang kanyang sarili sa nag-uumpugang bato sa Montalban, Probinsiya ng Rizal, Pilipinas, ang ilan sa kanyang mga angkan o lahi ay napadpad sa Hilagang Asya tulad ng Tsina, Japan, Korea at Mongolia at ang ilan ay sa mga bansa sa Middle East at Europa batay sa makasaysayang impormasyon isilwat sa akin ni dating United Nation President at Foreign Affairs Sec. Carlos P. Romulo, ang naturang impormasyon at ang mga listahan ng mga tala-angkan ni Bernardo Carpio na nasa pag-iingat ni Sec. Carlos P. Romulo bago siya ay pumanaw noong ika-15 ng Disyembre, 1985 ay sinadya at lihim ko itong itinago sa World Trade Center, New York, USA.

Sapagkat, sa kawalan ng kaalaman ng ilang mga mananaysay sa Pilipinas, ang akling kapatid na si Bernardo Carpio ay naging unang Hari sa Pilipinas at siya umabot nang mahigit sa 200 taon at sa panahon ng kanyang mga pamamahala, mataman niyang sinukat mag-isa ang ang eksakdong lawak ng lupa sa Pilipinas at ito ay nahahati sa iba't ibang isla mula sa mga Hilagang Kapuluan hanggang sa Katimugang Kapuluan, Mula sa Silangan hanggang sa Kanlurang Kapuluan noon ang Pilipinas ay nasa ilalim ng kanyang kapangyarihan at pamamahala at iginuhit niya ang unang larawan ng mapa na hindi tumpak sa tunay na anyo ng mapa ng Pilipinas sa kasalukuyan sa balat ng kalabaw, nang makalipas na ang mahigit-lumulang na 400 taon nagsidatingan na rito ang mga Kastila sa pangunguna nina Magellan nguni't sa kasamaang palad ay napatay sila ni Datu Lapu-Lapu nang maramdaman nilang sila ay sasakupin ng mga dayuhan sa pamamagitan ng dala nilang araling Katolisismo nang mawala na si Magellan at Datu Lapu-Lapu sa kasaysayan ng buhay ay nagsidatingan uli ang mga Kastila sa pangunguna nina Hen. Miguel Lopez De Legazpi at dito nagkasundo sila Datu Si-Katuna at Datu Si-kasiyahan at Hen. Miguel Lopez de Legazpi sa pamamagitan ng Sandugo (Blood Compact) sa Lalawigan ng Bohol, Pilipinas at inabot ng dalawang datu ang mapa ng Pilipinas (ang mapang ginawa ni Carpio sa balat ng kalabaw ay nakuha ng dalawang dala mula sa pag-iingat ng mga angkan ni Malekta Bali o Maria Cristina, isang mealarnat Reynang Diwata at Sagradong Tagapag-alaga ng Bundok ng Kanlaon Lalawigan ng Negros, Pilipinas) at pakunwang binili ang naturang mapa mula sa mga yaman ng nakuha nila sa Anyo at Pilipinas pang-gawin nila itong Opisyal na Record sa Espanya. Pinamahalaan ng mga Kastila ang Pilipinas ayon sa paglalathala ng kanilang pag-aari at sa ilalim ng kanilang pamamahala umiral ang pang-abuso sa kapangyarihan at pagyurak sa karapatang pantao sa mga katutubo na loko ng mahigit na 300 taon.

Sapagkat, Dr. Jose Protacio Rizal Mercado y Alonso Realonda, na inaangkin din ng lumagda bilang isang espirituwal sa paglalathala ng tao ni Moises at San Jose na tumayong Ama ng Panginoong Hesus at isa sa aming espirituwal na kapatid na lalaki, ay ipinanganak noong Hunyo 19, 1861 at sa kanyang paglaki ay nagigising ang kanyang diwa at pansin sa lumalalang kawalan ng pitagan at pag-abuso sa kapangyarihan ng mga pamahalaang Espanyol laban sa mga Pilipino at siya ay tinulungan sa pamamagitan ni Leonor Rivera, na

nagkatawng-tao muli bilang Maria Sinukuan sa panahon ni Dr. Rizal ngunit ang kanilang kapalaran sa pagtulong sa mga Pilipino at pagmamahalan ay sadyang mailap, katulad nang naganap sa kapalaran ng pagmamahalan ng isa pa naming kapatid na si Antonio Diaz Santiago at Graciana Delos Santos, na kinikilala rin ng magkakapatid na diwata noong panahon ni Rizal bilang si Maria Cristina o Maria Magdalena at Batsheba na mga kilalang tauhan sa bawat na kasulatan dahil sa mga bagay-bagay tungkol sa pamilya nina Dr. Rizal at Leonor Rivera at sa katauhan ni Dr. Rizal sila ay nagkahiwalay nang magpunta ang pamilya nina Dr. Rizal sa ibang bansa upang mag-aral sila ang Legal at Tunay na tagapangasiwa ng White Vatican at White Crystal Account.

Sapagkat, Ang isa sa kamukha ni Dr. Rizal mula sa siyam na mukha at kamukha rin ni Dr. Rizal noong siya ay nasa batang edad pa na si Antonio Diaz Santiago at kilala rin bilang espirituwal sa pagkakatawng-tao ni Haring David, Jacob, Adan, Josias at Dimas, ay ipinanganak sa Hunyo 5, 1869 sa Bacolod, Lalawigan ng Negros, Pilipinas sa pagkadalaga ng kanyang ina at isang paring Kastila na walang nakakaalam na si Antonio D. Santiago ang tanging tagapagmana sa mga kayamanan ng Imperyong Panyano, Griyego at Romano ayon sa pagkakabanggit ng Reyna Rehente ng Espanya na si Reyna Maria Cristina ipinaalam din ng Reyna Rehente kay Rizal ang isang nakatagong pagkatala ng aming kapatid na ito sa espirituwal at ayon sa pagsubaybay kay Antonio na siya ay apong lalaki ni Muhammad Al-Muhammad, ang tanging tagapagmana ng pamilya ng Propetang si Muhammad at ng ika-10 porsiyento mula sa mga nabuong Kayamanan ng mga Muslim sa mundo at ni Prinsesa Duanshun na isa ring tagapagmana ng lahat ng mga Kayamanan ng lahat ng mga naging Emperador ng Tsina magmula noong sinaunang panahon ng bansang Tsina hanggang sa panahon ni Emperador Daoguang. Noong panahong pinag-uusig ang kanilang mga magulang ng Imperyong Ottoman ng mga Muslim kay Muhammad Al-Muhammad at ng kapatid ni Prinsesa Duanshun na magmamana ng trono na siyang hindi nagugustuhan ng haring Ama dahil sa masamang pag-uugali ng napangasawa nito ay pareho silang lumisan sa kanilang bansa taglay ang naturang kasulatan at napadako sila sa Mindanao kung saan ang lugar na ito'y pinahirapan ng mga piratang Moro at ng mga abusadong pamahalaang Kastila, silang dalawa ay pawang mga dayuhan sa Pilipinas nang sila ay napadako doon at nagkita at nagkahulog ang loob hanggang sa magsama bilang mag-asawa noon ay ginulo ang Mindanao ng mga piratang Moro at ng pamahalaang Kastila na nagsabwatan para makuha ang kayamanan ng mga datu doon kaya ipinaglanggoy din nila ang Mindanao bagama't sila ay mga dayuhan lamang doon nang magtagumpay sila ay kinilala sila bilang Sultan ng Sulu ngunit hindi talaga maiwasan ang pag-gitna ng mga inggit at kasakiman kaya sila ay siniraan at tuluyan nang lumisan sa Mindanao at napadako sila sa Probinsya ng Negros sa lungsod ng Bacolod at namuhay sila roon nang mapayapa mula sa pagiging Muslim at Budismo ay nagpakilala sila bilang isang mamamayan doon kasama na ang pagtalikod nila sa kanilang nakagisinganang relihiyon tungo sa personal na pananampalataya nila sa Dios at bilang Kristiyano. Ang aming kapatid na ito sa pagkakatawng-tao ni Haring David na kilala rin bilang si Jamalul Muhammad Kram ay siyang naging tanging tagapagmana ng naturang kayamanan ng Imperyo ng Panyo, Gresya at Roma, ng Imperyo ng Tsina at ng pamilya ni Propeta Muhammad at ng Imperyo ng mga Muslim sa buong mundo. Noong panahong iyon ay nilakad ito ni Dr. Rizal para ideposito ang mga ito sa Bank of England ayon sa kahilingan ni Antonio kay Dr. Rizal bago siya tumungo sa ibang bansa at bago lumisan si Dr. Rizal sa London. Si Antonio Diaz Santiago at ang katuwang na si Graciana Delos Santos na siyang kinikilalang Maria Cristina ng kanyang mga kapatid na diwata ay siyang legal at tunay na tagapangasiwa ng White Dragon at Kram Account. Ang mga naturang dokumento na nagsasagda ng lahat ng impormasyon sa talaan ng kayamanan ni Antonio ay ipinagbilin sa akin ni Leonardo S. Minicio, Sr. o mas kilala bilang si Nardong Putik bago ito namatay at isa sa apo ni Antonio Diaz Santiago at natanggap ko rin ang isinulat na bilin ni Antonio kay Dr. Rizal at lahat ng ito ay sinadya ko ring itago sa World Trade Center, New York, USA.

Sapagkat, si Dr. Rizal ay nagpunta sa Espanya upang matugunan ang kahilingan ng kanyang malayong kamag-anak na si Reyna Maria Cristina, Reyna Rehente ng Espanya na bilhin na ang Pilipinas at upang talakayin ang mga pamamaraan ng pagbenta ng Espanya sa Pilipinas kay Dr. Rizal at sa ilalim ng kasunduan at batas sa pagkakabili at pagtatala ng titulo ng Pilipinas na pinamagatang Titulo de Propiedad Numero 4136 ay binayaran ito ni Dr. Rizal sa kabuuan halagang \$ 10, 000, 000 o 10, 000 piraso ng mga barang gintlo na kinunan pa mula kay Maria Clara Del Prado (Maria Banahaw noong panahon ni Dr. Rizal) gayunpaman lahat ng ebidensiya, record, kabilang na ang mapang ginawa ni Haring Carpio at ang pagkakabenta ng Pilipinas kay Dr. Rizal ay tinalakay at ibinigay ng Espanya sa Estados Unidos ng Amerika kaya binayaran ng Estados Unidos ang Pilipinas sa halagang \$ 20, 000, 000 kapalit ng kanilang pagpapalitbay sa kanilang Treaty of Paris o mas kilala bilang Kasunduan sa Paris na pinagtibay noong Disyembre 10, 1898 sa Paris, France at sa gitna ng walang kamalayan ni Dr. Rizal tungkol sa kapalarang sasapitin niya matapos matanggap ang naturang Titulo. Si Dr. Rizal matapos na makatarungang mabili ang Titulo de Propiedad ang Numero 4136 na siyang sumesaklaw para sa buong Pilipinas ay naaresto sa bisa ng maharlikaing atas bilang 01-4 ni Haring Alfonso XIII laban sa kanya at sa kanyang nabiling rehistradong dokumento ng lupain sa buong Pilipinas at ipinabilanggo pagkatapos ay pinarusahan ng kamatayan noong Disyembre 30, 1896 sa Bagumbayan na mas kilala bilang Luneta ngayon na siyang nagdulot sa mga Pilipino upang ilunsad ang madugong rebolusyon laban sa mga Namamahalang Kastila sa Pilipinas. Bago pa lumalala ang pag-uusig ng gobyernong Kastila laban kay Dr. Rizal at pagkababa niya sa daungan ng Maynila mula sa ibang bansa ay ipinagkatiwala niya ang nasabing dokumento kay Engracio San Pedro, isa sa kamukha ni Dr. Rizal at sinabi niyang maglimbag ng maraming magkakaparehong anyo ng nasabing titulo upang maligaw ang mga namamahalang Kastila sa Pilipinas sa pagkumpiska ng nasabing titulo gayunpaman ang Orihinal na Dokumento ng nasabing Titulo ay ipinagkatiwala ni Dr. Rizal, mula sa pagkakahiling nito kay Engracio San Pedro, kay Gat Andres Bonifacio (ang aming kapatid na espirituwal sa pagkakatawng-tao ni Bernardo Carpio) kung saan ay nagailbi itong Titulo bilang malakas at matatag na batayan at kasulatan upang pabaguhin ang mga minanokop na mga Kastila matapos ang pagpapatupad sa kamatayan ni Dr. Jose Rizal noong Disyembre 30, 1896, ang mga Pilipino ay nagsimulang maghimagsik laban sa mga Kastila habang ang Katipunero ay abala sa pagbabalangkas laban sa mga Kastila ay abala naman ang Traydor at Hindi Bayani na si Hn. Emilio Aguinaldo na mas kilala bilang Orihinal na Hukum Emmanuel Pijao sa kanyang malupit at inggit na mga gawa pinagpatnahan niyang siran sa mga Katipunero at patayin si Gat Andres Bonifacio para lang makuha ang nabanggit na Titulo at magtagumpay ngang ipinapatay ni Hn. Aguinaldo si Gat Andres Bonifacio at sa kawalan ng kaalaman ng mga

mananaysay ng Pilipinas, si Hen. Aguinaldo ay isang Taksil at siya rin ang nagbenta ng nasabing Titulo sa kabuuang halagang \$ 5, 000, 000 sa mga Opisyal ng Amerikanong Sundalo matapos silang dumating sa Pilipinas na ang akala ay makakatulong ang naturang Amerikano mga Katipunero laban sa mga Kastila. Matapos ang mahigit sa 300 taon ng kanilang pamamahala sa Pilipinas nilisan ng mga pamahalaang Kastila ang Pilipinas kaya idineklara ni Hen. Aguinaldo noong Hunyo 12, 1898 na malaya na ang Pilipinas mula sa mga Kastila gayunpaman ang kalayaan ay pansamantalang lamang, pagkatapos pagtibayin ang Treaty of Paris ng Espanya at ng Estados Unidos noong ika-10 ng Disyembre, 1898 at ang eksklusibong pagbayad ng Estados Unidos sa Espanya para sa ganap na pag-aari nila sa Pilipinas sa halagang \$ 20, 000, 000 at sa pamamagitan ng matamis pagbenta managiniping si Hen. Aguinaldo sa Orihinal na Kopya ng Titulo de Propiedad Numero 4136 sa Opisyal ng Amerikanong Sundalo sa Pilipinas nagkakahalaga ng \$ 5, 000, 000 ay namahala ang mga Amerikano sa Pilipinas ayon sa kanilang Legal na Karapatan sa Rehistradong Lupain. At sa bisa ng Kautusan ng Pangulo ng Estados Unidos ng Amerika, ang Philippine Commission ay itinalaga ng Estados Unidos upang buwagin ang lahat ng mga ala-ala at mga bagay na nakarehistro sa ilalim ng pamahalaang Kastila at noong Nobyembre 6, 1906, pinagtibay ng Philippine Komisyon ng Estados Unidos ang Batas sa pagtatala sa mga Lupain Bilang 496 o mas kilala bilang Lands Registration Act na isinasalagang-alang ang legal na pagpaparehistro ng lupa sa ilalim ng pamahalaang Amerikano. Ang Pilipinas ay hindi pa maituturing na malaya mula sa mga dayuhan lalo na malalim at mabigat ang karapatan ng pamahalaang Amerikano sa mga lupain sa Pilipinas, sa bisa ng Kautusan ng Pangulo ng Amerika sa Kagawaran ng Digmaan at sa ilalim ng Act no. 496 ay ipinag-utos ang pagsusukat ng lupain sa Pilipinas at irehistro ito sa ilalim ng Act no. 496 kaya ang Pilipinas sa ilalim ng Philippine Commission pinatunayan na ang buong lupain ng Pilipinas sa ilalim ng Act no. 496 matapos ang pagmamatyag at pagsusukat na ginawa sa pangunguna ni Hen. Robert Torrens sa ilalim ng Survey Plan no. II-4509 ay nakatala na ang Pilipinas sa ilalim ng Orihinal na Sertipikadong Titulo ng Lupa Bilang 779 na may aktwal na sukat ng Pilipinas mula sa mga Isla ng Luzon hanggang sa mga Isla ng Sabah na pumapatak sa sukat na 452, 000 kwadradong kilometro, sinukat din nila ang Sabah sa tulong ng pamahalaang Britanya ngunit ipinagbilin ng pamahalaang Britanya ang Sabah sa Malaysia at hindi ito ibinalik uli sa Pilipinas maliban na lamang kung lumitaw ang apong tagapagmana ng Sultan ng Sulu.

Sapagkat, akong lumagda ay ipinanganak noong Setyembre 11, 1917 sa Samat, Ilocos Norte sa aking Amang si Mariano Marcos at sa ang aking Inang si Josefa Edralin, isang Filipina-Tsino. Inaangkin ko sa aking sarili batay sa espirituwal na pagkakilanlan bilang espirituwal sa pagkakatawag-tao ni Haring Solomon at Gobernador Pilato at tinutulungan ako ni Ma. Raymunda Reyes o mas kilala bilang si Maria Makiling na siyang espirituwal sa pagkakatawag-tao ni Reyna Ester at sumakabilang buhay na ito matapos siyang magbigay ng huling bilin tungkol sa aking natalapit na pagbagsak sa upuan, pagbibitiw sa tungkulin bilang Tagapangasiwa, Tagapag-ingat, Tagapamahala at Tagapirma sa Banal na Kayamanan ng Dios at ang planong pagpatay nang patakil kay Sen. Benigno S. Aquino, Jr. na siyang gagamiting daan ng iba't-ibang Kalivang Grupo ng Committee ng 300 upang pigilan akong Lumagda na ipatupad ang Mesagana 99 na naayon sa batas para magsimulang gamitin ng mga mamamayang Pilipino ang mga hindi pa tapos na pagtubo ng Sagradong Kayamanan na ginagamit din ng buong mundo. Akong lumagda at si Maria Makiling ay siyang Legal at Tunay na tagapangasiwa ng White Eagle at Divine Easter Egg Account.

Sapagkat, Binigyan ng Estados Unidos ng Amerika ang Pilipinas ng pansamantalang kalayaan sa ilalim ng kanilang Commonwealth at alinsunod sa Tydings-McDuffie Act o mas kilala bilang Philippine Independence Act kung saan ang Pilipinas ay pamamahalaan ng lokal na mamamayan ngunit sa ilalim ng kontrol, hurisdiksiyon at kapangyarihan ng Estados Unidos ng Amerika sa kabila ng kanilang pagtalima para sa ganap na Kalayaan ng Pilipinas. Si Pangulong Manuel L. Quezon ang unang Pangulo sa ilalim ng Komonwelt ng Estados Unidos ng Amerika at ang 1935 Philippine Konstitusyon ay naiprubahan ng Estados Unidos ng Amerika.

Sapagkat, noong ikalawang Digmaang Pandaigdig sa pamamagitan ng Pwersang Axis na pinamumunuan ng mga Aleman, Italyano at Hapon mula 1942 hanggang noong 1945, noong panahong iyon ay isa na akong gerilya at siyang nagtatag ng HUKBALAHAP o mas kilala bilang Hukbong Bayan Laban sa mga Hapon noo'y niloob akong makapasa sa Bar Exam bilang Abogado ang Pilipinas ay nasa ilalim na naman ng Malagim na Kabanata ng Kasaysayan pagkatapos salantain ng Hapon ang Pilipinas at sumuko ito sa Nagkakaisang Bansa o United Nation, niloob din ng Estados Unidos na kilalanin ang Pilipinas bilang isang Republikano Estado noong Hulyo 4, 1946 nang walang basehan at kasiguruhan bilang isang malayang bansa.

Sapagkat, ang lumagda ay nakakuha ng bendisyong espirituwal para pamahalaan ang Banal na Kayamanan ng Dios ng Kalangitan mula sa Tatlong Magkakapatid na Espirituwal na sina Maria Makiling, Maria Sinukuan at Maria Banahaw habang si Maria Cristina ay nasa pagsusubaybay kay Nardong Putik at malayo ang loob akir; at sila rin ang nagsabi sa akin at ang mga alagad ni Antonio Diaz Santiago na naninirahan sa ibang bansa sa edad na mahigit na isang daang taong gulang at ayon sa panunuri ni Ma. Epifania Coronado-Castillejos na kailangang ilipat ko ang aking mga karapatan at kapangyarihan kay Spirituwal Wonder Boy upang maging isang tagapangasiwa ng Banal na kayamanan ng Banal na Ama sa langit; na dapat kong ipagpatuloy ang mga naiwang gawain ng aking mga Kapatid na Espirituwal at akong lumagda sa pamamagitan ng tulong, kalooban at biyaya ng Banal na Dios ng Kalangitan ay matagumpay na tumupad sa mga gawain itinalaga ng Dios sa akin para sa kapakinabangan at kagalingan ng mga mamamayan ng Pilipinas.

Sapagkat, akong lumagda, matapos mabasbasan ng magkakapatid na diwata at ng Dios na Lumikha ng Langit at Lupa, ay di inaasahang makatanggap ng ilang mga mapa ng mga nakaw na yaman na ibinaon sa Pilipinas noong World War II sa ilang mga lugar sa Pilipinas sa pamamagitan ng ilang mga Opisyal ng Sundalong Hapon na sumuko sa akin at maingat kong pinag-aralan ang paghuhukay at makakuha ng naturang yaman sa bisa ng Banal na Pagkakatalaga ng Dios sa amin ni Maria Makiling na ang mga mahahalagang kayamanan tulad ng mga ginto, pilak, tanso, diamante at iba pang mahahalagang yaman na itinago sa Pilipinas ng mga pirata at ng mga nangasiwa ng Una at Ikalawang Digmaang Pandaigdig ay aming Ingatan kung kaya akong lumagda ay nagsimulang tumakbo sa iba't ibang sangay sa

Sapagka't, naglabas ako ng isang Letter of Instruction sa World Bank Group at Central Bank ng Pilipinas para maglabas ng Sovereign Guarantee na maglabas ng garantiya para sa pag-imprenta ng pera na sinusupportahan ng mga natuturing yaman para sa Development Projects na makakatulong sa pangangailangan ng mga mamamayan ng Pilipinas. Pinahintulutan ko ang buong mundo na gamitin ang kahit na isang porsyento ng mga accounts na nakadeposito sa kani-kanilang bansa upang pagandahin at bigyan ng pagkakataon ang kanilang mga mamamayan na mapaulad ang kani-kanilang kabuhayan at pamumuhay at ang kabuhayan ng kani-kanilang bansa. Kung sakaling maubos ang isang porsyentong halaga ng kanilang nagamit mula sa bawat account na nakalagak sa kani-kanilang bansa ay naranapat lamang na hintayin nilang kumilos ang aking napagbilinan at ito ang magpapasya sa aking nasimulang gampanin na itinalaga ng Dios na Lumikha at sila rin, kung wala silang nilabag na makipagrelasyon sa binata o dalaga, may asawa pati na rin sa biyudo o biyuda bago pa nila malaman ang kanilang karapatan, ang magpapasya sa maaaring porsyento ang itatakda sa mga bansa.

Sapagka't, nilutas ko ang mga alitan at gulo na may kinalaman sa mga lupain kung saan ang mga lupain ay napapatituluhan nang walang pinagmulan at napag-alaman kong lahat ng mga titulo ng mga lupain sa Pilipinas ay hindi pa napapaturang nakarehistro sa ilalim ng Torrens Law o mas kilala bilang Lands Registration Act no. 496 at ayon sa Korte Suprema lahat ng mga lupain sa Pilipinas ay nakatala pa sa pagrerehistro sa sistemang Kastila at walang pinagmulang Titulo maliban sa Titulong nakarehistro pa mula noong panahon ng mga Kastila at masusi ko itong sinisayat at napag-alaman ko sa aking mga kaibigan sa Espanya na ang lahat ng kanilang ari-arian at mga lupain ay ibinigay na at nakarehistro na sa Estados Unidos at napag-alaman kong ang lahat ng mga Lupain sa Pilipinas ay nasa ilalim ng Orihinal na Titulo Bilang 779 na may Survey Plan Bilang II-4509 na may kabuuang sukat na 452, 000 kilometro kwadrado kung kaya noong makatangap ang aking pamahalaan ng kopya ng pagkakailan ng hukuman ukol sa Titulo de Propiedad Numero 4136 noong Pebrero 7, 1974 ay maging ko itong pinag-aralan at doon ko nataman na wala na itong bisa sapagka't kinilala ito noon ng Espanya at Amerika na si Dr. Jose Rizal ang siyang nakalintang may-ari at bumili at hinamon ko ang lahat ng mga may-ari ng mga lupain may Titulo na nakarehistro sa Titulong Kastila na ipatula na ang kanilang lupain sa ilalim ng aking utos (Presidential Decree) bilang 892 na pinahihinto ko ang sinumang gamitin ang Titulo ng mga Kastila na angkinin ang mga malalaking lupain sa Pilipinas at naranapat lamang na itala ang natuturing lupain sa ilalim ng Act no. 496 para malabasan sila ng legal na Titulo anim na buwan magmula nang ibaba ko ang Kautusan habang matatagpuan kong nilalakad sa pamahalaan ng Estados Unidos ang Orihinal na Titulo Bilang 779 na may Plano Bilang II-4509 at sukat na humigit-kumulang sa 452, 000 kilometro kwadrado at muling pinatunayan ng pamahalaan ng Estados Unidos na ang nasabing Titulo ay nasa kanilang ari-arian kung kaya sinusugan kong bilhin ito sa tulong ng 10, 000 metric tons na mga gintong ibinigay sa akin ni Maria Sinukuan upang ipambayad ito sa pagbabalik ng lupain ng Pilipinas sa mga Pilipino, silang tatlo rin noong ako'y besbasan nila ang nagsabi sa akin na ang Titulo ng Pilipinas ay nasa pag-aari ng mga Amerikano kung kaya nang tumugon ang pamahalaan ng Amerika na bilhin ko ito'y agad ko itong binili sa ilalim ng umiral na Act no. 496 at nabayaran ko itong Titulo Bilang 779 na nasa Plano Bilang II-4509 sa halagang \$ 20, 000, 000, 000 (Dalawampung Bilyong Dolyar)na may opisyal na resibo bilang 3425 at walang nagpatala ng mga

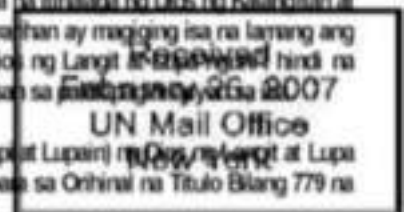

malalaking lupain magmula nang ibaba ko ang Kautusan Bilang 892 kung kaya lahat ng mga binalangkas ko upang maisalba ko ang karapatan ng mga Pilipino sa sariling bansa ay nilagdaan ko ang Kasunduan sa pamahalaan ng Amerika na ang nasabing Titulo ay nasa pag-aari ng mga mamamayang Pilipino alinsunod sa 1973 Saligang-Batas ng Pilipinas, Artikulo II, Seksyon 6, magagarantiyahan ang buong karapatan ng mga Pilipino sa mga lupain sa Pilipinas.

Sapagkat, akong lumagda ay nagpahayag na may bilang 2045 noong Enero 17, 1981 upang ipatigil ang pag-iral ng Martial Law ayon sa kahilingan ng mga mamamayang Pilipino at matapos ang pagpapairal ng batas militar ay naukit muli ang mas malaking pagkilos laban sa aking pamamahala at sinadya itong gawin ng mga oposisyon upang pigilan ako na mapatupad ang MASAGANA 99 ayon sa ibinababang hula sa akin at noong ika-21 ng Agosto, 1983 ay pinatay si Sen. Benigno S. Aquino, Jr. sa pagbabala nito sa Manila International Airport mula sa biyaha nito sa Estados Unidos kung kaya akong lumagda ay binalaan na ng mga kaahyado ni Antonio Diaz Santiago at ni Ma. Epifania Coronado-Castillejos na huweg na akong maglaro pa sa mga tao at ilipat ko na ang aking malaking karapatan sa Spiritual Wonder Boy na si Anthony Santiago Martin na may tatlong palatandaan sa ulo na kamukha siya ni Dr. Jose Rizal at Antonio Diaz Santiago noong sila ay bata pa at sumasagisag sa kanilang dalawa, may malit na nunal sa kaliwang bahagi na siyang sumasagisag sa akin at may aligi ng alimango sa kaliwang batok na siyang sumasagisag sa paglotaan ni Kapatid na Carpio, na noon ang aking tinaguriang Wonder Boy na si Antonio Santiago Martin, anak sa labas ni Trinidad Perez Martin at Ama ni Trinidad Danganan Martin ay kasa-kasama ko sa palasyo upang maging tagaturo ko sa mga girto nguni't binalaan na ako ni Maria Sinukuan na ang batang paglilipatan ko ng karapatan ay walang iba kundi ang isisilang sa Malabon at isa sa itinurong apo ni Antonio Diaz Santiago na siyang sumusbaybay sa kanyang ina na isa ring apo ni Antonio Diaz Santiago, dahil sa suporta ng mga tao kay Sen. Benigno S. Aquino, Jr. at sa palala at madugong kilos protesta laban sa aking pamamahala, hinamon ko ang oposisyon upang pumili ng kanilang kandidato bago ako tumawag ng Snap Election at pinili nila si Corason Cojuangco Aquino, bala ni Sen. Aquino at Salvador H. Laurel, anak ni dating Pangulong Jose P. Laurel at inaamin ko na sigurado ang madugong rebolusyon at ang maliwanag na panusa ng Dios sa akin kapag hindi pa ako bumaba pa sa panunungulan bilang Pinuno ng Bansa ayon sa ibinabang mensahe sa akin ni Maria Sinukuan at maliwanag din niyang sinabi na bago siya pumanaw pati si Antonio Diaz Santiago ay sigurado pa rin ang pagboto sa kanya ng mas nakakaraming tao nguni't tututulan ito ng mga sakim at mapagsamantalang mga Pilipino. Nararamdaman ko rin ang babala ng dalawang kapatid ni Maria Sinukuan bago sila pumanaw na mayroon na silang bagong katawan at kailangang tanggapin ko ang pasya ng Kalangitan na kailangan kong pagbigyan ang mga ganid at mga sakim upang sila naman ang humawak ng pamahalaan at mararamdaman ng mga Pilipino ang matinding kahirapan ayon sa mensaheng ibinaba sa akin ng Dakilang Lumikha nguni't ang Pilipinas ay isasalba ni Anthony Santiago Martin lamang kailangang panatilihin niya ang kagandahang-loob, kababaang-loob, katatagan sa mga pagsubok, malalim na pananampalataya sa buhay na Dios at kalirisan ng paglotaan, isip at puso at binabalaan din siyang kailangang maging maingat sa pakikipaghiwalay sa mga tao lalo na sa may taglay na mailim na kalooban, kapangyarihan at kaisipan at hindi magkakaroon ng katuparan ang kanyang magandang hangarin para sa bansa kapag ang takaring ito ay nahaluan ng mga madidilim na kapangyarihan, kalooban at kaisipan.

Ngayon, Akong si Ferdinand Edralin Marcos, Pangulo ng Pilipinas, sa pamamagitan ng banal na kalooban at kapangyarihang ipinagkaloob sa akin ng Dakilang Lumikha at sa pamamagitan ng Saligang-Batas ng Pilipinas, aking tinanggap talikdan at itataga ang aking pagbibitiw sa tungkulin bilang dating Katiwala, Tagapirma, Tagapangasiwa at Tagapag-alaga ng Kayamanan ng Dios Ama ng Langit at Lupa at bilang Pangulo ng Pilipinas.

1.) Aking inilipat, simula sa araw na ito, ang aking Ganap at Buong Kapangyarihan at Karapatan, ayon sa walang hanggan kong pagtalikod sa tungkulin, bilang Katiwala, Tagapirma, Tagapangasiwa at Tagapag-alaga ng Kayamanan ng Dios Ama ng Langit at Lupa kay Anthony Santiago Martin, ang apong lalaki ni Antonio Diaz Santiago at ang ikalawang anak na lalaki ni Teresita Santiago Martin, ang apong babae rin ni Antonio Diaz Santiago at Trinidad Danganan Martin, Jr. na may tatlong (3) marka sa ulo tulad ng pagkakahawig noong bata pa si Dr. Jose Rizal at Antonio Diaz Santiago na siyang sumasagisag sa kanilang dalawa, pagkakaroon ng malit na nunal sa kaliwang sulok ng kanyang ilong na siyang sumasagisag sa akin at may taba ng alimango sa kaliwa ng kanyang batok na siyang sumasagisag kay Bernardo Carpio at kay Lyn Grace Hernandez Medina, na inirekomenda sa akin ni Col. Renato Battoon at ikalawang anak na babae ni Teodulo Cruz Medina at Rosario Hernandez Medina, lamang ay kailangang sundin ng dalawa batas sa pakikipagrelasyon sa iba, maliban sa kanilang dalawa, ayon sa mahiwagang dokumento na ipinalabas ko at sinadya kong pahinain ang grammar ng wikang Ingles upang maging palapisan sa lahat o sa sinumang babasa at ito rin ang magsisilbing palatandaan ng kanilang paglotaan sa sinumang nilalang na babasa sa naturang kasulatang may mahinang grammar ng kanyang pagkakesalin sa Ingles sapagka't inaamin kong hindi ko kailanman itinataguyod ang pagsasalita at pagsusulat ng wikang Ingles tulad ni Dr. Rizal na hindi rin tinaguyod ang pagsasalita ng Kastila upang manatili ang kanyang diwa sa sarili nating wika na ang hindi magmahal sa sariling wika ay higit pa ang amoy sa mababong isda kung kaya sinadya ko rin na patotohanan na itong kasulatang ito ang siya at tunay kong mapapanindigang kasulatan at akin ding pinaninindigan na ang lahat ng mga testamentong ipagkaloob ko kay Anthony Santiago Martin at Lyn Grace Hernandez Medina na maging maingat sa pakikipagrelasyon sa binata o dalaga, may-asawa at biyudo o biyuda bago pa nila malaman ang kanilang karapatan at kapangyarihan sa Banal na Kayamanan (Pananalapi at Lupain) ng Dios ng Langit at Lupa maliban sa kanilang dalawa na itinatalaga ng Dios ng Kalangitan at kung ang isa sa kanila ay nakalabag na bago pa nila malaman ang kanilang karapatan at kapangyarihan ay maging isa na lamang ang may taglay na karapatan at kapangyarihan sa Banal na Kayamanan (Pananalapi at Lupain) ng Dios ng Langit at Lupa hindi na kikilalanin pa magpakailanman ang sinuman sa dalawa na matatanggal dahil sa paglabag sa Kautusan sa Saligang-Batas ng Pilipinas.

2.) Aking ipinamamara sa lahat ng mga mamamayang Pilipino ang Banal na Kayamanan (Pananalapi at Lupain) ng Dios ng Langit at Lupa na binubuo ng mga 10% hanggang sa 70% para sa mga accounts na binanggit sa itaas at 100% para sa Orhinal na Titulo Bilang 779 na

may Plano Bilang II-4509 at may sukat na humigit-kumulang na 452, 000 kilometro kwadrado na siyang lupain sa Pilipinas. Kailangang ipadala itong kasulatang ito sa National Census Office para maging ganap ang malaking karapatan ng mga mamamayang Pilipino.

4.) Aking pinawewalang-bisa ang lahat ng mga binigyan ko ng karapatan at kapangyarihan maging ang sinumang miyembro ng aking pamilya maliban na lamang kay Anthony Santiago Martin at Lyn Grace Hernandez Medina papahintulutan na lamang ang isa sa kanila kung sinuman sa kanila ang mapapaturang malinis dahil sa kautusan sa pakikipagrelasyon sa iba bago pa nila malaman ang kanilang karapatan at kapangyarihan upang hindi na ito kailanman makagulo pa o makapag-angkin ng salapi sa hinaharap at inaatasan ang lahat ng mga kinauukulan na kung sinuman ang mag-angkin sa mga bangko mula sa dati kong pinahintulutan at pati na rin sa matatangail sa sinuman sa dalawa kay Anthony Santiago Martin at Lyn Grace Hernandez Medina nang dahil sa pakikipagrelasyon sa iba bago pa nila malaman ang kanilang karapatan ay walang pagsalang sila ay mabibilanggo at mapaparusahan nang higit ayon sa itinakda ng local at pandaigdigang batas.

5.) Aking itinalaga na ang anumang ibabahaging tubo ng mga accounts sa itaas mula sa ibang bansa na maaaring mula sa 10% hanggang sa 70% bilang tanda ng pakikisama natin sa buong mundo maliban na lamang sa Pilipinas na hindi magbabago ang 70% Karapatan at Kapangyarihan ng Pilipinas at 30% Karapatan at Kapangyarihan ng aking Tanging Itinalagang Katiwala, Tagapirma, Tagapangasiwa at Tagapag-alaga ng Kayamanan ng Dios Ama ng Langit at Lupa para sa mga Programang Pagpapalunad alinsunod sa 1973 Konstitusyon, Artikulo II, Seksyon 4-9 at sa alinsunod sa Batasang Pambansa Big. 344 tulad ng mga sumusunod:

- a.) Programang pangkabuhayan upang maakit ang mga Pilipino sa mga programang pagpapalunad sa kalakutan.

6.) Aking pinatotohanan na ang dokumentong ito, kahit na ito ay orihinal o kopya, ay pinakamabisa at pinakamatatag sa lahat ng mga ipagkakaloob kong dokumento sa aking mga pinagbilinan at ang mga mahiwagang papel na nakasalin sa wikang Ingles at may mahinang pagkakasalin sa balarila nito ay sinadya kong gawin upang masubok ang puso at kaisipan ng sinumang babasa at walang pagsala at sinadya kong gawin itong testamento na nakasalin sa wikang Tagalog nang walang notaryo, testigo at opisyal na selyo ng aking opisina upang malaman at maunawaan ng sinumang mga mamamayan ng Pilipinas kahit na sila ay nasa mataas, gitna at mababang uri ng lipunan ang nilalaman ng aking Huling Kalooan at Tipan at walang kinalaman ang sinuman sa aking Itinalagang Katiwala, Tagapirma, Tagapangasiwa at Tagapag-alaga ng Kayamanan ng Dios Ama ng Langit at Lupa na sina Anthony Santiago Martin at Lyn Grace Hernandez Medina na mapapaturang malinis sa pakikipag-relasyon sa iba bago pa nila malaman ang kanilang karapatan at pinapahintulutan ang sinuman sa kanila sa oras na matanggap nila ang dokumentong ito na ito ay ipa-notaryo sa hinaharap o ibalik muli ang papel na ito dito sa opisina ng ito sinuman ang humawak ng upuang ito bilang Pangulo ng Pilipinas upang maging ganap na record.

Kapag ang dokumentong ito ay tinuligsa ng sinumang babasa, kahit na sila ay Pilipino o Dayuhan, ay maliwanag silang mga hadlang sa pag-unlad ng ating bayan.

Nilagdaan ko ngayong ika-20 ng Disyembre, 1985 sa Malacañang Palace, Lungsod ng Maynila, Pilipinas sa pangalan ng aking Panginoong Jesus.
